ALLEGED TURKEY THIEVES.

THREE SHREINER AND RENAY SUMMERFIELD ARE ARRESTED ON SUSPICION.

Two Fowls Stolen From H. N. Nissley, of Near Donegal Church—Clara Chapman Is Arrested On the Charge of Stealing a Coat and Released.

COLUMBIA, Dec. 13.—Officers Wittick and Barnhold arrested Levi Shreiner and Henry Summerfield, living at Mount Joy, on suspicion of stealing turkeys from H. N. Nissley, living near the Donegal church. On the night of November 30, thirteen turkeys were stolen from Mr. Nissley. Two men were at Manheim the day following selling turkeys and Shreiner and Summerfield are said to be the men. They were committed to jail for a further hearing.

John C. Hogentogler, jr., of Kinderhook, had a hearing before Squire Evans this morning on the charge of surety of the peace, Henry Weaver, tax collector of West Hempfield, complainant. He paid costs and was discharged.

Charles Loring was before Squire Solly this morning on the charge of stealing part of a frog from the P. R. R. He was sent to jail to answer at court.

Clara Chapman had a hearing before Squire Hershey this morning, charged with stealing a coat from the kitchen of Dr. S. Armor. There was no evidence against her and Clara was discharged.

The P. R. R. pay car was here this afternoon.

A railroaders' bulletin has been placed at the C. D. office of the P. R. R for the convenience of the employes. The names of conductors, flagmen, brakemen and extra men will appear in the bulletin, and will show if the men are with the crews or who are in their places.

The Reading & Columbia pay car will be here December 20th.

The H. L. S will meet this evening at the house of Miss Mame McDivitt.

Dr. J. S. McBride sailed from New York yesterday for a trip to the Bermuda islands.

Robert S. Conklin is again at his place of business after a serious illness of nearly two weeks.

IT'S A SOLID STREET.

The Square on Prince Street, Between German and Conestoga, Completed.

The ropes which for six weeks blocked Prince street, between German and Conestoga, were removed last evening; and vehicles are now passing over what is considered by street-makers to be the finest square in the city.

Councils having given S. S. Spencer, superintendent of the cotton mills, permission to repair the street, he determined to use considerable of his own cash besides the $900 contributed by the city. After setting heavy new curbs, widening the pavements and laying asphalt gutters the work of excavating the street was begun. Probably fourteen inches of earth was cut down, and in this work twenty men and half a dozen horses and carts were engaged ten days. The hardest kind of limestone was obtained from a quarry along the New Danville turnpike. For a foundation pieces of stone as large as Belgian blocks were packed edge up and made firm by sledges. On top of this layer was placed cracked stone the size of a base ball and after this was rolled by "Jumbo," with Benjamin Trout directing the machine, there was another application of finer stones. Then again the road roller was in service. The solid mass was next covered by a two inch coating of river gravel and sand. On Wednesday the last rolling was completed, and the surface of the thoroughfare is now smooth enough to play marbles upon it. Bicyclers who have turned their wheels over this piece of street pronounce the bottom as firm as a floor of wood. Many people of this city and distant places have watched the progress of building this street, and they agree they never saw a finer piece of work.

THE WORD "GO" GIVEN.

Four Local Pedestrians Tramping Over the Sawdust in Rothweiler's Hall.

The seventy-five hour go-as-you-please pedestrian contest begun in Rothweiler's hall last evening at eight o'clock. Although the room is very small for anything of this kind there was a very large crowd present.

The men were started at 8 o'clock by Frank Scheid, another pedestrian, and Harry Krens was chosen judge. Those who started, with their numbers, are as follows: No. 1 George Lawrence, No. 2 George Kauffman, No. 3 William Bowers, No. 4 John Dommell. The three first named have been in contests before. After Scheid had given them the word they immediately got down to work. Kauffman was the first to cover a mile, making it in 7 minutes and 25 seconds. The time of the others was as follows: Lawrence 7:30; Dommell, 8:28; Bowers, 8:35.

In the first hour the following was made: Lawrence, 6 miles and 12 laps; Kauffman, 6 miles and 14 laps; Bowers, 5 miles and 30 laps; Dommell, 5 miles and 8 laps. The midnight score was: Lawrence, 23 miles and 9 laps; Kauffman, 21 miles and 23 laps; Bowers, 21 miles and 13 laps; Dommell, 21 miles and 7 laps.

The scorers for the match are: Henry Mohler, Albert Bowers, Charles Kauss and Frank Barnhart. The scores are being kept on black dials and a black board. The best records of Lawrence and Kauffman for 75 hours were made in a match at the King street theatre last winter; the former then made 197 miles and 2 laps, and the latter 206 miles and 20 laps. In a 50-hour match in Rothweiler's hall Bowers made 155 miles and 2 laps.

At 12 o'clock to-day the score was Lawrence 75 miles; Kauffman, 72; Bowers, 59 miles and 29 laps and Dommel 63.

This afternoon Dommel ran off the track for a time but came back at 3 o'clock, apparently rather sore. While he was off he was passed by Bowers. The latter, Kauffman and Lawrence seem to be in fine condition. The score at 3 o'clock was Lawrence, 86 miles and 13 laps; Kauffman 82 miles and 18 laps; Bowers, 70 miles and 14 laps; Dommel 70 miles and 3 laps.

Up to three o'clock of the first day of the match in which Scheid made his record he had but 77 miles to his credit. It will be seen by the score in the present match that Lawrence is now nine miles ahead of that. The attendance continues good at the match, which is creating a great deal of interest. In the small room adjoining the main one the men have cots where they sleep.

Blooded Stock.

Daniel G. Engle, of the Englestee stock farm, Marietta, Pa., has sold a fine brown weanling colt, King Viley, sired by Storm King, record 2:21¼, to Dr. B. F. Minich, Columbia, Pa., for $300. King Viley is six months old. His dam is Rosa Viley, sister in blood to the dam of Early Rose, 2:20¼, by Ward's Flying Cloud.

Owing to changes on the farm on which Mr. Engle has kept his brood mares and colts that will interfere with that part of the business, he has decided to sell all his stock, excepting Storm King, at a large sale of horses at Lexington, Ky.

Parties calling before he ships his stock away can buy choice standard bred Kentucky brood mares in foal to Storm King and Hi Henry and stallion colts and fillies by such sires as Nutwood, 2:18¾ (sold for $23,000), Mambrino Dudley 2:19¾, King Almont 2:21¼, Erin 2:27, Motion 2:29, Gen. Wilkes 2:22, Princess, sire of Trinket, 2:14, &c., at prices that are much less than the same stock is worth in Kentucky.

Sale of The Shickwater Paper Mill.

J. L. Steinmetz, esq., attorney for the heirs of Emanuel Shover, yesterday sold the paper mill at Shickwater, together with the majority of the houses in the village and the hotel property. The purchasers were the New York Paper, Fibre and Chemical company. This company leased the mill last spring and have since been running it, making manilla paper and phosphate. They made some great improvements in the mill.

A Small House Greets Miss Gray.

Ada Gray is a drawing attraction in the play of "East Lynne," but it seems that the Lancaster people do not care to see her in anything else. Last evening she produced for the first time in this city "A Ring of Iron." The play is a comedy—drama and the scenes are laid in England and Australia. Miss Gray takes the part of a rough and ready but good natured woman named *Nancy Drake*. The support was strong throughout. There were not a hundred people in the audience.

He Pocketbook Gone.

Richard Fisher, general agent of the Washington Life Insurance company, was in town last Friday. He writes from Philadelphia that while in this city he either lost his pocketbook or had it stolen. It contained $30 in money and a large number of drafts and other valuable papers.

Benjamin Sherizer, jr., was groomsman and Miss Kate Stauffer bridesmaid. After the wedding there was a reception which was attended by the many friends of the contracting parties. They left on their wedding trip on the evening train.

Lectured to the Knights.

William Wall, the lecturer of the Knights of Labor, spoke before the members of the order, in this city, in Odd Fellow hall, last evening. There were quite a good-sized audience present, including many ladies. The address was on the objects and aims of the order, and it was listened to with marked attention.

The Devil Fish Did Not Draw.

Three men came to Lancaster on Monday and rented a store on North Queen street, where they have been exhibiting an octopus, or devil fish. The store was so far up town that the patronage was small. Yesterday, notwithstanding the fact that a big organ was kept playing all day, business was very bad. The men endeavored to get a store further down, but being unable to do so, they left for Harrisburg.

A Pair of Bright Children.

Two bright and intelligent little girls are Tonina and Lilly Adams, who have the child parts with Mr. Ellis' company. They are daughters of George H. Adams, who as a clown has so often amused Lancaster people. They were last seen here with H. C. Miner's "Silver King" party two years ago.

Received a Thousand Dollars.

Dr. J. L. Witherow, treasurer of Unity Council, No. 288, of United Friends of this city, to-day received a check for $1,000 from the Imperial recorder, for the widow of Harry H. Holton, who was a member of the order.

Seeking Damages.

John J. Jennings and James Jennings, residing in Lackawanna county, Pa., have begun suit against the Lehigh Valley Railroad company on account of the Mud Run disaster. The former brings suit for $20,000 on account of the loss of his son and his services and the latter claims $20,000 for five broken ribs and an injured spinal column.
