A Baptist Minister's Experience.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine, but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Belectric Oil cured ma. I was also troubled with hoarseness, and Thomas' Belectric Oil cured them, and if taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate sold, or cough, and if any one will take a small teaspoon and half ill it with the Oil, and then place the end of the spoon in one nostril and draw the Oil out of the spoon into the head, by sniffing as hard as they can, until the Oil falls over into the throat, and practice it twice a week, I don't care how offensive their head may be, it will clesn it out and cure their catarrh. For deafness and earache, it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever felt like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Beleever oil." Dr. E. F. Crane, Corry, Pa.
