

Who Shows Like That of Emperor Frederick. J. Thomas Hideo, of Potomac, aged over 60 years, has been a sufferer from throat disease some time, and his ailment recently became so acute that he was removed to the Pennsylvania Hospital for treatment. It is ascertained that he has a cancerous growth in the throat, and the medical opinion is that he will not survive the operation.

To prevent suffocation tracheotomy has been resorted to, and the patient now breathes through a silver tube; but the more serious surgical operation has not been performed as yet. It is not very likely, however, that the patient will survive the operation.

The case is a very grave one, but little hope of recovery. Mr. Hideo is fully aware of his condition, and he is a forgiving and devoted husband. He is now very weak, and is not allowed to speak, but uses a glass to communicate with his family.

That Cantankerous Old Woman. Described in the nursery ballad, who "lived upon nothing but victuals and drink," and yet "would never be quiet," was undoubtedly troubled with indigestion. Her victims, like those of many other elderly persons whose digestive powers have become impaired, did not agree with her.

Just as Good. Don't allow anyone to make you believe any other remedy is just as good for sick headaches as Dr. Leake's Special Prescription, for it is not true. This is the only remedy in the world that strikes at the root of the disease and drives it out. Give it a trial.

The New Discovery. You have heard your friends and neighbors talking about it. You know it to be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you know it to be one of the many who know from personal experience just how good a thing it is.
