WHAT'S THE MATTER WITH THE LANCASTER BUSINESS COLLEGE? Well, if you mean the largest enrollment of pupils for the first week of January since its organization, it is an indication that it is meeting with its reward and that IT'S all right.

The L. B. C. does not hold out such inducements as "Full Course for $——," which has been characterized by a sensible practical writer, as "BAIT FOR DULL HEADS," and while that is a rough way of putting it, it is true that the dull boy is the only one to profit by this arrangement. The bright young fellow must pay for the excessive cost of this instruction for the dull one.

DO YOU UNDERSTAND?

Our patrons are our leading citizens and business men, and to them we would refer all applicants as to standing of this institution.

Pay a visit to the college and spend a day there, and then judge as to the merits of the school. Address, H. G. WEIDLER, Principal.
