My boy (three years old) was recently taken with cold in the head. It seemed finally to settle in his nose, which was stopped up for days and nights so that it was difficult for him to breathe and sleep. I called a physician, who prescribed, but did him no good. Finally I went to the drug store and got a bottle of Riy's Gream Baim. It seemed to work like marie. The boy's nose was clear in two days, and he has been all right ever since.— E J.
