MADE A MAN OF GIGARETTES.
John Powers, 11 years of age, living with his widowed mother in New York City, has become a paying maniac through cigarette smoking. He was taken to the Orange County insane asylum. In the more violent fits of the disease he would break into a frenzy and destroy everything he could lay his hands on, and the united strength of two men is barely sufficient to restrain him.

AYER'S CHERRY PECTORAL.
LUNG DISEASES.
For which I believe it to be the greatest medicine in the world. -James Miller, Caraway, N.C.
" My wife had a distressing cough, with pain in the side and breast. We tried various medicines, but without success. I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the same cough, and the cough was relieved by the Cherry Pectoral. I have no hesitation in recommending this medicine. -Robert Horton, Foreman, Houghton, Kentucky.
