OUTIQUES REMEDIES.

EVERY RIGHT 1 SCRATCHED With Sailer Elite Spots of Mortes by the Cattonen Remedies

I am going to tell you of the extraordinary change your CUTICURA REMEDIES performed on me. About the lat of April last I noticed some red pimples like coming out all over my body, but thought nothing of it until some time later on, whan it began to be lead like spous of mother spotted on, and whice came of in hywn, accompanied with inching I would senate swary night until I was raw, then the next night the scales, being formed mean while, were seratched of again. In vain did I consult all the doctors in the consult all the doctors in the country, but without aid. After giving up all hopes of recovery, I happened to see an advertisement in the new paper about your CUTICURA REMEDIES, and purchased them from my druggist, and chained almost immediate relief. I began to to fee that the scaly crupitons gradenily dropped of and disappeared one by one, and have been fully sured. I had the desage thirteen months before I began taking the CUTICURA REMEDIES, and in lour or five weeks was entirely sured. By discuss was extent and pottfank, I recommended the CUTICURA REMEDIES to all in my vicinity, and I know of a great many who have taken them, and thank me for the knowledge of them, especially mothers who have been with scale; and it know of a great many who have taken them, and thank me for the knowledge of them, especially mothers who have been with scale; and I was an awful spectacle to behold. Now my skin is a nice and clear as a baby's.

Catarrh to Consumption.

Catarrh in its de tructive force stands next to and un coubtedly leads on to consumption. It is therefore singular that those afflicted with this fearful disease should not make it the object of their lives to rid then salves of it. Deceptive remedies concocted by ignorant precenders to medical knowledge have weakened the confidence of the great majority of suffered to a life of misery rather than toriurs to miser with doubtful pallistives. But this will never do. Catarrh must be met at every stage and combated with all our might. In many cases the disease has assumed dangerous symptoms. The bones and cartilage of the nose, the organs of hearing, of seeing and of tasting so affected as to be uselew, the uvu's ac clongwel, the throat so inflamed and irritated as to produce a constant and distressing cough.

Earrond's Eadmont Cons meets every phase of Catarrh, from a simple head cold to the most icarhsome and destructive stages. It is local and constitutional. Instant in relieving permanent in curing, sale, conomical and never-falling.
