ANOTHER SCHOOL HOUSE.

THE BOARD INSTRUCTS THE PROPERTY COMMITTEE TO BUILD IT.

Structure to Cost $20,000 to Be Erected On West Chestnut Street—Superintendent Brecht's Action Disapproved By a Committee—Reports Received.

The March meeting of the Lancaster city school board was held on Thursday evening in common council chamber, with the following members present: Messrs. [illegible], Breneman, Cochran, Darmstetter, [illegible], Erisman, Griest, Hartman, [illegible], Levergood, Lichty, Lippold, [illegible]gott, McKillips, Ochs, Peniz, Reynolds, Schreyer, Shirk, Stauffer, White, [illegible]ingham, Wohlsen, Wolf and Dr. McCormick, president.

The reading of the minutes of the last regular and special meetings was dispensed with.

Mr. Hegener, of the finance committee, reported the bills for supplies furnished during the month of February and on his motion the treasurer was directed to pay the same.

PROPERTY COMMITTEE REPORT.

The following was the report of the property committee:

To the Officers and Members of the School Board.

GENTLEMEN: Under the resolution adopted at the last stated meeting of the board, your committee advertised for plans for an eight room school building, and have several now in their possession. The cost of the building, such as it is contemplated to erect, will be from $16,000 to $18,000. This includes the Smead-Wilt system of heating, ventilation and dry closets, and which we recommend the board to adopt.

The committee visited Harrisburg to investigate the working of the Smead system and are unanimous in their opinion as to its merits.

Respectfully submitted,

JOHN L. HARTMAN,
JOHN MCKILLIPS,
THOS. B. COCHRAN,
S. F. ERISMAN,
HENRY WOLF.

On motion of Dr. Levergood the recommendations of the committee were approved.

Mr. Cochran, of the judiciary, reported that the committee including the president of the board, visited Harrisburg and attended the convention of directors of cities of the third class, with a view of formulating a bill for the government of cities of the third class. Fourteen or fifteen cities were represented in the convention and suggestions were made by representatives of the cities and all were referred to a committee of five to draft a law. This committee has not yet made a report and until it does nothing can be done. The board will have to bide its time until the bill is presented in the Legislature.

THE NIGHT SCHOOLS.

Mr. Ochs, of the night school committee, reported a good attendance at the night schools for the month. It was better than usual for the month of February. At the boys school the enrollment was 60, with an average attendance of 43, and at the girls school there are 24 on the roll with an average attendance of 21. In his judgment the schools ought to be kept open until April 1st.

Mr. Hartman moved that the committee close the night schools whenever in its judgment it thinks proper.

REPORT OF A SPECIAL COMMITTEE.

Mr. Eberman submitted the following report:

To the Officers and Members of the Board of Directors of the Lancaster City School District:

GENTLEMEN: Your committee to whom was referred the communication of Dr. Levergood, in reference to the closing of certain schools in his sub division, as well as that part of the city superintendent's report relating to the same matter, as also that part of said report which referred to the consent of members of the superintending committee, respectfully report that it met the city superintendent and others interested on Tuesday evening, February 26, ult., in discharge of the duty imposed on it, and found that ten schools were closed for two days, viz.: January 24 and 25, the teachers of the said schools visiting Washington City, D. C., on those days as set forth in the superintendent's report. These schools were closed at his instance; all the teachers who accompanied him being under the impression that he had received authority to close the schools.

Superintendent Buehrle did consult with two of the three members of the superintending committee then in the city and received the consent of one of them and from the tenor of the conversation with the other presumed he had his consent also. Want of time prevented him from seeing the third member.

Your committee believes that the action of the superintendent was with the best motive and solely for the furtherance of the interests of our schools, and that the teachers who accompanied him did so with the object of seeing and learning that which would be of practical value in their work.

Your committee, however, cannot justify the action of the superintendent in closing the schools, which was a clear violation of the rules of this board, and therefore offer the following.

Resolved, That this board disapproves of the action of the city superintendent in closing ten of the schools for two days.

Resolved, That the committee be discharged from further consideration of the subject.

C. F. EBERMAN,
J. I. HARTMAN,
G. EDW. HEGENER,
Committee.

The resolutions were adopted by a unanimous vote.

CITY SUPERINTENDENT'S REPORT.

Following is the report of the city superintendent for the month:

LANCASTER, Pa., March 7, 1889.

To the Board of School Directors:

Gentlemen: Your city superintendent submits the following report of the public schools for the month of February:

The whole number of pupils enrolled was 266 in the high schools, 393 in the grammar, 707 in the secondary, 44 in the ungraded, 937 in the intermediate and 1,306 in the primary, making a total of 3,653 in the city schools. The night schools reported an attendance of 81, making a grand total of 3,744 pupils in the schools of the city.

The average attendance was 249 in the high schools, 351 in the grammar, 611 in the secondary, 32 in the ungraded, 775 in the intermediate and 1 011 in the primary, making a total of 3,019; and adding 64 in the night schools, the grand total was 3 083.

The number of pupils not absent during the month was 997. The average percentage of attendance was 83. The number of teachers in attendance at the meetings was 70. The following were absent: Misses Kinber, McNeal, Rathvon, Bruning, Marshall, Suydam, Roblfs, King and Kate Rundell. Miss McNeal was reported absent last month by mistake.

The number of visits made by the city superintendent was 124. The directors made 194 visits as follows: Hon. J. B. Warfel 30, W. D. Stauffer, 36, John Ochs 4, G. N. Reynolds 45, J. I. Hartman 28, Dr. M. W. Raub 29, Geo. E. Hegener 20, Chas. Lippold 7, Dr. R. M. Bolenius 1, Geo. Darmstetter 1, Dr. John Levergood 2, H. B. Breneman, 4, Chas. J. White 5, John McKillips 4.

The following non-resident pupils were reported as attending the schools taught by the teachers named:

Miss McMillan's school—Wm. Westman and Chas. Kiehl.

Miss Carter's—Chas. Buckwalter.

Miss Suydam's—Harry Menizer, J. and Wm. Mowery.

Miss Bucklus'—Chester Hess.

Boys' High School—Harry F. Myers

Very respectfully,

Your obedient servant,

R. K. BUEHRLE.

Accompanying the report was a circular from the National Educational association, whose annual meeting will be held at Nashville, Tennessee, from July 16th to the 23d, requesting an exhibit from the schools of this city on that occasion.

The document was referred to the superintending committee with power to act.

THE NEW SCHOOL BUILDING.

Mr. Hartman said the property committee had gone as far as they had authority in the matter of the new school building on Chestnut street, and if the board desires to erect the building, to have it ready for the beginning of the school term, prompt action is necessary. He thought it a good plan to appoint a special committee to act in connection with the property committee, if it is decided to build. The cost of the new structure will be about $20,000.

Dr. Levergood did not see the necessity for a special committee. The board had confidence in its property committee, and he moved that the property committee be authorized to erect a building, the cost of the same to be within their discretion. The motion was adopted.

REFERRED TO THE JUDICIARY COMMITTEE.

Secretary McElligott read section 43 of school laws and decisions, which is as follows:

"The secretary is to receive the monthly reports from the teachers, examine them, and if correct, sign them, if not correct he is to have them made so before issuing the monthly order for the teacher's salary."

He said his attention had been directed to the section. Its provisions had never been enforced in this city. He desired to know whether the Lancaster school board is subject to the above rule and he moved that the matter be referred to the judiciary committee for its consideration. The motion was adopted.

A Store Opening.

Barger & Brinkman, a new firm of this city, had an opening at the new music store on North Queen street, last evening. There was a full orchestra present discouraging music all evening and a large crowd visited the place.

Admitted to Practice.

C. E. Montgomery, a student of Hon. Marriott Brosius, was this afternoon, on motion of his preceptor, admitted to practice law in the courts of Lancaster county.
