WHEAT ARD OORN. ertment of Agriculture Stallatice as

Distribution.

The statistical report of the department of agriculture for March relates to the distribution of wheat and corn. The amount of corn reported still on hand is 39 6 per cent. The surplus amounts to 787,000,000 bushels, of which the seven corn surplus states have 490,000,000 bushels. The proportion of merchantable averages 82 per cent, which is less than in 1884, 1886 or 1887. The average price is less than in December, when it was 34 cents per bushel for the United States and 27 for the states producing commercial supplies. The March average for merchantable corn is 33 9 cents per bushel, for unmerchantable 22 8 cents per bushel, for unmerchantable 22 8 cents per bushel, Chie, Indiana. Illinois, Iowa, Missouri, Kaness and Nebrasks, is 25 6 cents per bushel.

The proportion of the wheat crop on hand

bushel.

The proportion of the wheat crop on hand on March I is less than in any year alnown 1880, except in 1882 and in 1887 (though nearly the same in the latter year). The actual quantity on hand is less than in any recent year, except 1882 and 1880. It is estimated at about 112 000,000 measured bushels. The lowest state percentages are in the principal wheat-growing states, as follows: Unio, 27; Michigan, 23; Indiana, 24; Illinois, 25; Wisconsin, 23; Minneota, 26; Iowa, 32; Missouri, 27; Kansas, 24; Nebraska, 31, and Dakota, 24. In these states the quantity on hand is less than in March last by about 21 000,000 bushels.

Swept by the Tide of Popularity To the topmost pinnacle of success, Hostet-ter's Stomach Bitters stands a shining proof of what genuine merit, backed by the living force of proven facts, can attain. The North and South American continents, Europe Australia, the West Indies, Guatemais and Australia, the West Indies, Guatemais and Mexico have all contributed wide patronage and testimony of the most favorable kindbut unsolicited—to swell the reputation of this sterling remedy. Among the maladies for which the most convincing public and professional testimony proves that it is a benign curative, are chills and fever, bilious remittent, dumb ague and ague cake, dyspepsia, liver complaint, nervousness, debility, kidney and bladder complaints. It mitigates the infirmities of age, hastens convelescence, has a tendency to prevent ill consequences from exposure and exhaustion. Persons of sedentary habits and laborious occupations will find it an ever useful tonic.

QUEES REBUNATION.

Rheumatism According to meant investigations is entered by erroses of lactic acted in the blood. This arid attacks the fibrous tissues, particularly in the joints, and canose the local manifestations of the firmers, prine and other in the back and showlders, and its the joints at the laners and local, as and wrists. Thousands of people have found in flood's Sarasparilla positive and permanent cure for rhoumatism. This medicine, by its purifying and vitalizing action neutralizes the saidity of the blood, and also builds up and strengthens the whole body.

"I was laid up for six months with rhonma-tism, and used many kinds of medicine with-out good result till one of my neighbors told me to take Hood's Saraspartila. When I had used half a bottle I felt better, and after tak-ing two bottles I think I was entirely cured, as I have not had an attack of rheumatism sinck." Evenus II. Dixon, Rosaville, Staten Island. W. T.

Oures Rhoumatism "I had attacks of rheumatism which in-creased in severity." I took three bottlee of Hood's Sarasparilia and I am pleased to say the rheumatic pains ceased, my appetite and digestion became better, and my general health greatly improved. I am firmly con-vinced that Hood's Sarasparilia cured me, as I have fult no recurrence of this blood dis-ase." Wm. Eccou, Geneva, N. Y.
