Diarrhoea an Unseen Foe
This was sometimes a paradox, as Hamlet
said, "Sinner, however the people of America
and other lands have been enabled to pit
Hostetter's Stomach Bitters against that
unseen foe, malaria, it is no longer a paradox,

Rheumatism
According to recent investigations it is caused
by excess of acids in the blood. This acid
attacks the bones, particularly in the
joints, and causes the most excruciating
pains, and swells the joints and
sometimes the whole body.

Hood's Sarsaparilla
I was laid up for six months with rheumatism,
and used many kinds of medicine without
good result until one of my neighbors told
me to take Hood's Sarsaparilla. When I had
used half a bottle I felt better, and after taking
two bottles I think I was entirely cured,
so I have not had an attack of rheumatism
since. E. H. Drown, Rossville, Mass.
