Prings the hunter's morning.
Wind and weather secraing.

Then, on to cover rushing.

Siunting go with the best of them,
Tally ho! with the rest of them,

Sayest of them all,

By seeing as much as you can of the world, But ere you set out either as a tourist, commercial traveler or emigrant—whether you go by rail, steamship or steamboat, provide yourself with Hostetter's Stomach Bitters, which the traveling public recognizes as the finest medical safeguard and proventive of sea sickmess with which any one journeying by land or water can be provided. It furnishes to the western pioneer adequate protection against malaria, rheumatism and those disorders of the bowels which miasma tainted water beget. Its sedative effect upon a stomach perturbed by the rocking of a ship is truly magical, and it is a capital appetizer and nerve invigorator. Excellent is it for biliousness and kidney inaction, and it counteracts, in a remarkable degree, the effects of fatigue, physical or mental. After wetting and exposure in inclement weather, it should be used as a preyventive.
