Clothes By the Cord.

That's what a customer said on Saturday upon entering the Clothing Department. That was his first impression of the quantity to pick from there. The Spring season opened actively on Saturday. The early comer now gets rewarded. Choicest morsels go first. You no there's no "April fool" in that. Many new things in the children's department, $2 00 to $10 00 a suit. See the $3 50 and $5 00 all-wool suits, and the new waists and blouses. Spring days and Spring underwear are acceptable to each other. Comfort for you, better for you than we ever know; 50c a price for qualities that most stores sell at 75c, and 65c a price for qualities that most stores sell at $1 00. Right from the weavers to us and quick turn to you is the reason for such low prices. Now The Merchant Tailor Speaks: This department is ready and full of novelties. Thirty-two hands are ready at a moment's notice to your bidding and get your Spring Suit, Overcoat or Breeches in time for you. Leave your order and get a handsome fit, perfect work, at popular prices.
