UNDER THE VIOLETS.

Her hands are cold; her face is white;
No more her pulses come and go;
Her eyes are shut to life and light;
Fold the light vesture, meet for snow,
And lay her where the violets blow.

But not beneath a graven stone,
To plant for tears with alien eyes;
A slender cross of wood alone
Shall say that here a maiden lies
In peace beneath the peaceful skies.

And gray old trees of hugest limb
Shall wheel their circling shadows round
To make the noonday sunlight dim,
That drinks the green moss from the ground,
And drop their dead leaves on the mound.

When o'er their boughs the squirrels run,
And through their leaves the robins call,
And, ripening in the Autumn sun,
The acorns and the chestnuts fall,
Doubt not that she will heed them all.

For her the morning choir shall sing
Its matins from the branches high;
And every minstrel voice of Spring,
That thrills beneath the April sky,
Shall greet her with its earliest cry.

When, turning round their dial track,
Eastward the lengthening shadows pass
Her little mourners, clad in black,
The crickets, sliding through the grass,
Shall pipe for her an evening mass.

At last the rootlets of the trees
Shall find the prison where she lies,
And bear the buried dust they seize
In leaves and blossoms to the skies—
So may the soul that warm'd it rise!

If any, born of kindlier blood,
Should ask, "What maiden lies below?"
Say only this: "A tender bud,
That tried to bloom in the snow
Lies withered where the violets blow."
—*Oliver Wendell Holmes.*

GUILTY.—Anybody using a soothing remedy for children made of paregoric or laudanum, is guilty of doing harm. Dr. Bull's Baby Syrup is warranted not to contain anything injurious and should therefore be widely recommended.

The healthy action of the liver can be established and maintained by the judicious use of Lander's, the great liver regulator and blood purifier.

The Stomach Distils Acids.

These, if existent in a natural quantity, and unvitiated by bile, play their part in the functions of digestion and assimilation. But the artificial acid resulting from the inability of the stomach to convert food received by it into sustenance, is the producer of flatulence and heartburn, which are the most harrassing symptoms of dyspepsia. The best carminative is Hostetter's Stomach Bitters. Far more effective is it than carbonate of soda, magnesia or other alkaline salts. These invariably weaken the stomach without producing permanent benefit. No man or woman chronically dyspeptic, and consequently nervous, can be in possession of the full measure of vigor allowed by nature. Therefore, invigorate and regulate the system, and by so doing protect it from malaria, rheumatism and other serious maladies.

DR. G. McLANE'S

CELEBRATED

Vermifuge, for Worms.

MOTHERS READ.

Andrew Downing, of Cranberry township Venango county, Pa., had his child unsuccessful with the genuine Dr. G. McLane's Celebrated Vermifuge, and she passed 177 worms. Next morning in repetition of the dose she passed 113 more.

Joseph G. Allen, of Amboy, gave a dose of the genuine Dr. G. McLane's Celebrated Vermifuge to a child of six years old, and it brought away 91 worms. He soon after gave another dose to the same child, which brought away 60 more, making 151 worms in about 12 hours.

Mrs. Quigley, No. 151 Sheriff street, New York, writes that her child, a girl of 4 years, had been unwell for better than two months. She procured a bottle of the genuine Dr. G. McLane's Vermifuge and administered it. The child passed a large quantity of worms, and in a few days was as hearty as ever it had been. Parents with such testimony before them should not hesitate when there is any reason to suspect worms, and long as time is administering the genuine Dr. G. McLane's Vermifuge. It never fails and is perfectly safe.

This is to certify that I was troubled with a tape worm for more than six months. I tried all the known remedies for this terrible affliction, but without being able to destroy it. I got a bottle of the genuine Dr. G. McLane's Vermifuge, prepared by Fleming Bros., Pittsburg, Pa., which I took according to directions; and the result was I discharged one large tapeworm, measuring more than a yard, besides a number of small ones.

MRS. M. SCOTT.

Price 25 cents a bottle. Insist on having the genuine. (4)
