A valuable horse belonging to George B. Willson, of Wheatland, Lancaster township, ran a nail in his hoof. Lockjaw, it is feared, may result from the wound.

Removed.

The portrait of Amelia E. Barr appears as a frontispiece in the April number of Book News (John Wanamaker, Philadelphia). The number contains an interesting article on "Plate Matter for Newspapers," by Howard Fielding; a biographical sketch of Mrs. Barr; a talk on all the books of the month, by Talcott Williams; reviews of the most important of the current publications, notable among which are "The Last Voyage of the Sunbeam," "The Correspondence of Daniel O'Connell," "Afloat," by Guy de Maupassant, "A Daughter of Eve," by the author of "The Story of Margaret Kent," and there are cuts from such of the books as are illustrated. Among the miscellaneous reading matter is a glimpse of the London life of Motley, author of "The Rise of the Dutch Republic," with his description of Macaulay; an account of an evening spent with De Quincey; Andrew Lang's advice to a young book hunter, and many other interesting articles.

A Lecture on Chemistry.

Prof. J. S. Stahr, of Franklin and Marshall college, will deliver a lecture on chemistry before the Chautauqua circle to-night in Y. M. C. A. hall.

Madame Fry's Concert Company.

Madame Fry's Concert company will be at the Court House to-morrow evening and indications point to a crowded house. This talented company appeared here before and gave entire satisfaction. The company is brought here under the auspices of the Grand Army.

Two Grand Transcontinental Tours.

Messrs. Raymond & Whitcomb have planned their annual sight-seeing tours of the Pacific Coast in the most liberal and comprehensive manner, adding new places of interest to the already long list. Magnificent trains of Pullman palace cars, with a complete dining-car service, make these trips a source of special comfort and pleasure. These excursions differ from the winter trips inasmuch as they cover a specified period, and follow a regular itinerary with special facilities for observation and general sight-seeing. The return tickets are good for six months, however, so that the ticket-holder is not "tied to a programme" unless he desires to be. Both parties will leave Philadelphia Thursday, May 2, and both visit the same points in Colorado, New Mexico and California, the itinerary covering every principal point from San Diego to San Francisco and Sacramento. The Pacific Northwest party will then extend its travels a thousand miles northward to Victoria, the capital of British Columbia, and eastward over the Northern Pacific Railroad with a side trip through the Yellowstone National Park, while the other party journeys homeward via the Southern Pacific Company's Ogden route and the Denver & Rio Grande Line. Circulars with full details may be obtained of Raymond & Whitcomb, 111 South Ninth street, under Continental Hotel, Philadelphia. 1td

In the hour to noon the Missouri Pacific was the feature. That stock suddenly sprang into prominence under an active buying and advanced sharply. Its strength imparted a firmer tone to the entire list and at midday prices were up ¼ to 1⅝ per cent. Since 12 o'clock the market has been dull and featureless.

CARPET CLEANING.

New Location, New Process.

LANCASTER Steam Carpet Cleaning Works.

You can imagine that taking a carpet out these rainy and muddy days, clubbing and dragging them around on the open lot, is not thorough carpet cleaning. The New Process, once tried, will convince you that it is the only way to properly clean them. Any and all kinds of weather our wagons call for your carpets promptly. Our machinery thoroughly cleans them, brightens the colors, and they come home to you in good shape, and what is more, thoroughly aired and ventilated. This last feature is alone worth the price of cleaning. Our new price list brings the price of thorough cleaning by machinery to about the same price of so-called cleaning (sand-beating)

CHEAP INSTRUCTION.

Almost tempted to say cheap instruction. Cheap instruction implies cheap teachers and cheap teachers will naturally cultivate cheap minds, which will fit the pupil for living a cheap life, and not attaining to any occupation above the mediocre. The terms of the LANCASTER BUSINESS COLLEGE, No. 94, East King street, are liberal. We challenge competition in thoroughness of course of instruction. Address H. C. WEIDLER, Principal.

COURT PROCLAMATION.

Whereas, the Honorable John B. Livingston, President, and Honorable David W. Patterson, Additional Law Judge of the Courts of Common Pleas in and for the county of Lancaster, and Assistant Justices of the Courts of Oyer and Terminer and General Jail Delivery and Quarter Sessions of the Peace in and for the county of Lancaster, have issued their precept, to me directed, requiring me among other things to make public proclamation throughout my bailiwick, that a Court of Oyer and Terminer and a General Jail Delivery, also a Court of General Quarter Sessions of the Peace and Jail Delivery, will commence in the Court House, in the city of Lancaster, in the Commonwealth of Pennsylvania,

ON THE THIRD MONDAY IN APRIL, (the 15th), 1889,

in pursuance of which precept public notice is hereby given to the Mayor and Aldermen of the City of Lancaster, in the said county, and all the Justices of the Peace, the Coroner and Constables of the said City and County of Lancaster, that they be then and there in their own proper persons, with their rolls, records and examinations, and inquisitions, and their own remembrances, to do those things which to their offices appertain in their behalf to be done; and also all those who will prosecute against the prisoners who are, or then shall be, in the jail of the said County of Lancaster, are to be then and there to prosecute against them as shall be just.
