To Help a Good Cause. "The poor ye have always with ye." None of these are poorer than the patients of St. Joseph's Hospital, here it is that they are not only the means of subsistence, but of ability to earn means. An opportunity to add something to their comfort and to lighten their burden, and the unceasing labors of their custodians, will be afforded the community on Easter Monday, when a "pound party" will be held at the hospital for their benefit. Contributions of all kinds and of all sizes will be in order. The sisters are gratefully mindful of the friends who do not only do good on the occasion of the party given on last Thanksgiving Day, and hope that those and others will add their encouragement and add to the number and weight of the pounds. Though the work of the hospital is broad its means are narrow. 118-119
