THE PENNSYLVANIA RAILROAD PROVIDES

CROUND FOR THE WAGON WORKS.

Plat at a Locomotive.

COLUMBIA, April 26,-The board of direc-

tors of the wagon works held a meeting last evening, when it was decided to pur-

chase an engine from the Supplee Steam Engine company. The plans and specifica-tions have been given to the contractors

who will make their bids for the erection of the buildings. A lot of ground will be given by the Pennsylvania railroad com-

pany at the terms already published, \$100 per year, where the plant will be located. The ground is over 200 feet long and 65 in depth

and is large enough to erect the buildings

and is large enough to erect the buildings and run the sidings. The surveyors of the company will be in town as soon as the weather permits to give the lines, etc.. Mr. Hutchinson, superintendent, will take charge on Monday, and the work will be pushed forward as rapidly as possible.

A day or so ago a countryman entered the office of the R. & C. railroad at Man-

heim and asked the price of a ticket to

Mechanicsville. The agent told him the rate

was twenty cents, when the man said;
"Pil give you fifteen." He could not
understand that the railroad company

would not allow their agents to make re

ductions on fares, and declared that he would walk to his destination. He had

gone a short distance up the track when an

engine, approaching the station, gave a shrill whistle. The man turned about

and, shaking his fist at the engine, called

out: "You need not whistle for me : I

made you an offer once," and then pro-

A Gratifying Report.

All the building associations of this city are in a flourishing condition, but the sixth semi-annual report of the West End Building and Lean Association, which will be published on Saturday, will show it to be one of the very best of these institutions. A new series (the seventh) of stock is to be opened at the meeting

Church Entertainment.

The entertainment at St. Paul's Reformed Church this evening promises to be one of the finest church entertainments. Prof. Wale Bausman has charge of the music, consisting of choruses; solos by John Smaling and others.

Cecil Harper, who surpasses Carleton as a reader, will give a number of his finest selec-tions. Exercises commence at 8 o'clock.
