-G. M. Woodcock, in Detroit Pres Press.

THE Brompta Hospital for Consumptives, London, Eng., published a statement that fifty-two (82) per cent. of the patients of that institution have unsuspected kidney disorder. Prof. Wm. H. Thompson, of the University of the City of New York, says: "More adults are carried off in this country by chronic kidney disease than by any other one malady except consumption." The late Dr. Dio Lewis, in speaking of Warner's Bafe Cure, says over his own ignature: "If I found myself the victim of a serious kidney trouble, I would use Warner's lafe Cure."

JAMPS THOMAS, Franklin Road, near Baltimo

To Dislodge the Enemy,
When it takes the form of disease of the kidneys or bladder, is a task well nigh impossible of accomplishment. Renal and vesical maladies are more obstinate than any others. Counteract, therefore, the earliest indications of inactivity of the many organs with Hostetter's Stomach Bitters, which pessesses, among other excellent qualities, those of an efficient diuretic. The degree of stimulation apparent from its use reaches, but sever goes beyond, the bounds of safety. It invigorates always, never irritates. Bright's disease diabetes, catarrh of the bladder, are diseases successfully combifted in their inciplency with this benign medical stimulant and tonic. Bes'des reinforcing and regulating the kidneys and bladder, the Hitters is a specific for fever and ague, constipation and dyspepsia.
