A STOLEN WATCH RECOVERED.

Jeweler Weber Receives It From a Colored Boy-The Thief Not Known.

A few night ago Reuben Bucher, residing at 350 Middle street, had a silver watch stolen from his pocket while he was sitting on a door step. Two young men were arrested on the charge of robbing him, but were released for want of evi-Lancaster movement and open-faced.

Its number is 100,278, and it was pur-

hased by Bucher from Louis Weber, on North Queen street, some years ago. The number and a description of the watch was left at the different jewelry stores and the clerks were notified to be on the lookout for it. About I o'clock yesterday afternoon a young darkey walked into the store o Mr. Weber. He drew Bucher's watch from his pocket and asked Weber to tell him the value of it. He said that he was having some dealings in regard to it with a white man and he wanted to know what it was worth. Weber recognized the watch at once and told the darkey that he would keep it until 5 o'clock in the evening and if he would then return he would tell him all about it The colored boy left and said he would be back in the evening. Mr. Weber informed Alderman Halbach and he had officers waiting for the return of the colored boy in the evening, but he did not put in his appearance. It seems that this same watch was brought to Mr. Weber's store by a whit man some days ago, but it was not identified at the time. The darkey called with it yesterday, said his name was Smith and he lived on North street, but that was not
