THE WOOL FOUND.

BUT THE THIEF WHO STOLE IT FROM MARTIN KREIDER IS NOT DISCOVERED.

Officer Wittick Learns That It Was Bought and Sold By George Cutler, of Florin—A Black Snake Captured.

COLUMBIA, May 31.—A few weeks ago about 55 pounds of pelt wool was stolen from the premises of Martin Kreider, near Mount Joy, and no trace could be obtained of the thieves. Officer Wittick was put on the case, and this morning he entered the office of Squire Evans with the wool. The wool was purchased by George Cutler, of Florin, who sold it to another party where the officer found it. This morning Officer Wittick went to Florin to arrest Cutler, and he will have to tell where he got the wool, or be committed on the charge of receiving stolen goods.

Samuel Eddy, flagman on shifting engine 906, of the P. R. R., found a large black snake lying between the tracks near the tunnel last night about 8 o'clock. The animal was six feet long and three and one-half inches in diameter. It was put in a box and given to a flagman on a Harrisburg train.

GREAT LIVE BIRD MATCH.

Lancaster and York Counties Defeat Lebanon in a Fine Contest.

The much talked of live bird match between H. C. Krueger, of Wrightsville, York county, Wm. Fieles, of Christiana, and Chas. Franciscus, of Columbia, on one side, and James Clark, Francis Reinehl and Wakefield Bock, all of Lebanon, on the other side, took place yesterday at Mount Gretna. The match was for $150; losers to pay birds and each man to shoot at 25 birds. The pigeons were a splendid lot for this season of the year, and the shooting was of the highest order, resulting in a victory for Krueger, Fieles and Franciscus. The score of the losers is one which would win nine times out of ten. The feature of the shoot was the phenomenal score of 25 straight by Mr. Krueger, 24 of which were clean, hard kills; only one, although hard hit, remaining on the wing for a while after shot at, and this one was gathered and scored. This score is one which to our knowledge under the same rules has never been equalled in this section. Mr. Fieles' run of the last 19 straight, is also a remarkable piece of work. Mr. Franciscus had hard luck, hitting hard nearly every one of the birds scored against him. The winners are high in their praise of the treatment received at the hands of the losers, who took their defeat very gracefully. Following are the scores:

H. C. Krueger, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1, 1—25.

C. Franciscus, 1, 1, 1, 0, 1, 1, 1, 1, 1, 1, 1, 0, 1, 1, 1, 1, 1, 0, 0, 1, 0, 1, 1, 1, 0—19.
Total—65.

Uniforms Would Improve Them.

The fire department made a fine appearance in yesterday's parade. The apparatus and stock were in the best of order, but the absence of uniforms on the men was the subject of much talk along the route, previous to the rain, when the rubber coats covered them. It seemed to be the opinion of everybody that they should have clothing. The firemen say that with a few additional dollars to their salaries they would be able to furnish their own uniforms, and a movement to increase the salaries may be made.

THE REFORM.

Ladies' Spring-Heel Shoe!

Time is the test which has proved that this special shoe, naturally shaped, completely fills a long-felt want. Spring Heels are of great importance to Ladies, who want a shoe that will relieve the strain on muscles of the back. Every physician will recommend them. Their practical usefulness becomes apparent as their merits become better known by trial. Those who suffer from ailments of the feet, and especially weak ankles, will find speedy relief, as they allow the foot to rest squarely on the ground. It is not necessary, as many suppose, in order to gain the advantage of this shoe, that outward appearances should be sacrificed, for this is a foot-covering of good design, of intrinsic worth to growing girls who wear Ladies' sizes, and to Ladies who are on their feet a great deal. We hear words of praise from many customers using them. Can be furnished in two kinds of material of such weight as is always needed: the Bright Dongola, with flexible soles, so constructed as to give elasticity to the step, and a good Pebble Goat, where a little heavier shoe is wanted. Widths, D and E. Prices, $2.00 and $2.50.
