Time is the test which has proved that this special shoe, naturally shaped, completely fills a long-felt want. Spring Heels are of great importance to Ladles, who want a shoe that will relieve the strain on muscles of the back. Every physician will recommend them. Their practical usefulness becomes apparent as their merits become better known by trial. Those who suffer from ailments of the feet, and especially weak ankles, will find speedy relief, as they allow the foot to rest squarely on the ground. It is not necessary, an anthem, followed by resorder to gain the test music, prayer, songs by shoe, that outwar rations by some of the should be sacrificed, for the pastor and a covering of good design, the While the offer worth to growing girls who will the offer on their feet a great deal.
