PLACE SILKS.

He said that her woman's face, The crown of her shining hair, Her subtle feminine grace Were haunting him everywhere.

A sudden tremor of fear
Her rallying laughter smote,
As he gave a souvenir—
A button from off his coat. He went to the distant war.

And fought as a man should do;
But she forgot him afar
In the passion for something new.

His trinket amongst the rest,
She wore at her dainty throat;
But a bullet had pierced his breast
Where the button was off his coat,

OF INTEREST TO LADISS.

Superfluous Hair! Superfluous Hair Superfluous Hair! Superfluous Hair

OF INTEREST TO LADIES. AN ESTABLISHMENT IN PHILADELPHIA where ladies can have Superfluous Hair permanently removed from the face by Electrolysis (the Electric Needle operation).

Dr. J. Van Dyck, Electro Surgeon, & North Eleventh street, Philadelphia, permanently destroys Superfluous Hair without pain, scar, shock or trace, by the Electric Needle operation.

shock or trace, by the Electric Needle operation.

In answer to many letters from fashion and
scientific journals and from ladies from all parts
of the country, in reference to this operation,
Dr. Van Dyck respectfully states that the Electric Needle process is endursed by all physicians
and surgeons of eminence as being the only
method known to science by which superficture
hair can be destroyed. It is almost painless,
causing a mere stinging sensation.

The needle is inserte painlessly into the follicle alongside of the hair, completely destroying the papalla of hair germ, so the hair can
never grow again. Leaves no scar not trace;
never falls; length of time depends upon the
number of hairs to be destroyed; the presence
of the patient is required at the office.

Every lady with hair on her face knows that
depliatories, heated wax, pumice stone, the
tweezers, scissors or razor, only makes these
hairs grow harsher, coarsor, darker and more
numerous.

dimerous.

Remember, ladies, this is a delicate surgical peration, and should never be performed exept by a physician or surgeon, or under his arc. cept by a physician or surgeon, or under his care.

Dr. Van Dyck is a regular graduate of medicine and surgery; has practiced in Philadelphia for twenty years, and performed the electric needle operation for the first time thirteen years ago, having the honor of being the second physician in the world to perform this operation and the first to use it in Dermatological practice. Since then the demand for his services in this specialty has become so great that he has given up all other practices and makes an exclusive specialty of Electro-Surgery and Dermatology. No physician living to-day has written so many articles for fashion, literary or scientific journais on the subject as Dr. Van Dyck has, as an illustration of the universal interest taken in it, the Doctor has answered 9,000 letters in the last three years from ladies from every part of the civilized world.

Every lady troubled with superfluous hair should consult Dr. Van Dyck, and should read his book, which is mailed free to every one writing for it.

his book, which is maried free to writing for it.

Superfluous hair is surprisingly prevalent. We see it in the drawing room, theatre, on the street, and wherever ladies congregate. At least 25 of every 100 ladies have more or less superfluous hair at some time during their lives. Remember this, no matter if you are 15 or 75, whether you have 20,000 or a few straggling hairs on your face, every one can be desiroyed forever.

Don't hesitate to consult Dr. Van Dyck freely and with confidence. Rich or poor, young or old, he will examine your case cheerfully. No fees unless you are treated. Call at once. Office and operating rooms, 40 N. Eleventh street, Philadelphia. Hours, 9 to 5; Sunday, 10 to 3. Never falls. Advice free. Book free. Note-Birth marks, red nose, enlarged veins of the nose, cists, cancers and tumors removed by Dr. Van Dyck. Terms to suit rich and poor. Send for book.

LIQUOR HABIT POSITIVELY CURED BY ADMINISTERING DR. HAINES' GOLDEN SPECIFIC. GOLDEN SPECIFIC.

It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless, and will effec a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and to day believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist. For sale by CHAS. A.
