We full in love; the mind's diseased, The brain is in a foolish whiri; And while we worship from afar Some other fellow gets the girl.

We try for wealth, detuded fools!

As men from Adam's time have done;
And while we strive, and toil and fret.
Some other fellow yanks the bun.

We yearn for fame, and struggle hard To win some measure of renown, And find that to posterity Some other fellow's name goes down.

And what a torment life would be
If we were of the hope bereft
That in some fairer world than this
That other fellow would get left!

Over the Pathless Ocean,
Athwart vast continents traversed by mighty iron thoroughfares, many-armed like the fabled Briareus, myriads set forth daily to encounter the vicissitudes of travel, change of climate, unaccustomed food, and an atmosphere, possibly miasmatte, yet with a cal n confidence that their health will be preserved. When this confidence is based upon the possession of the supreme medicinal defense. Hostetter's Stomach Bitters, it is indeed well founded, otherwise not. Brackish water, bad founded, otherwise not. Brackish water, bad food, the wearying and other bad effects of railroad joiting, sea sickness and nervousness, aggravated by a journey and its attendant discomforts, are shorn of their pernicious in nce by this sterling alterative, pacifier and pensating medicine, invaluable for dys psia, feebleness, nervousness, constipation alarial disorders, rheumatism and kidney

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Discuss fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cared. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. B. Cochran's Drug Store, 137 & 139 N. Queen St., Laneaster, Pa. A Woman's Discovery.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excrucialting pain of cutting teeth? If so, go at once and get a bottle of MRS. WINS-LOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regu-late the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere

The Verdict Unantmous. The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies

"I can recommend Electric Bitters as the very
best remedy. Every bottle sold has given relief
in every case. One man took six bottles and
cured of Rheumatism of 10 years standing."
Abraham Hare, druggist, Beliville, Ohlo, affirms: "The best selling medicine I have everhandled in my 20 years' experience, is Electric
Bitters." Thousands of others have added their
testimony, so that the verdict is unanimous
that Electric Bitters do cure all diseases of the
Liver, Kidneys or Blood. Only a half dollar a

"I was completely run down and was for nearly two years under medical treatment being given up to die by physicians. My mother urged me to take Hood's Sarsaparilla. At last I consented, and I have never taken anything, which helped me as much as Hood's Sarsaparilla, which restored me to health and vigor. I have been taking it about four months, and am now a different being. I can work all day with very little farigue. I recommend it to anyone whose system is prostrated." NELIA NOBLE, Peoria, Ill. ### MT. GRETNA

Park and Narrow Gauge Railroad.
The aim of its management is to make Mt. Gretna the most desirable day resort in Pennsylvania; to this end every form of amusement and convenience for excursions and picnics is here provided.

The especial attraction this year at Mt. Gretna is its Narrow Gauge Railway, the completion of which throws open for view the magnificent scenery of the South Mountain. This fittle two foot gauge railway, unique in design and construction (the only one offis kind in operation), stone ballasted and steel railed, begins at the entrance to the Park and terminates at Governor Dick, the Summit of the South Mountain, 1,200 feet above the sea level, its cars are miniature reproductions of the highest type of car building.

OBSERVATION CARS.

The trains over this division consist of Observation Cars, affording an unobstructed view of the scenery en route. They pass in full view of the Military Parade Grounds, Lake Conewago, the State Rifle Range, and over Horse Shoe Bend, gradually ascending until GOVERNOR DICK is reached, four miles distant. The view from the observatory is especially noteworthy. Church, school, military, and civic organizations, clubs and tourist parties can have free and exclusive use of the Park on application to Gen.
