A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. B. Cochran's Drug Store, 137 & 139 N. Queen St., Lancaster, Pa.

Dr. D. McLane's

Vermifuge for Worms MOTHERS READ

Andrew Downing of Cranburg Township, Ve-nango County, gave his child one teaspoonful of the genuine Dr. C. Melane's Celebrated Ver-mituge, and she passed 177 worms. Next morn-ing on repetition of the dose she passed 113

worms. He soon after gave another dose to the same child, which brought away 50 more, making 138 worms in about 12 hours.

Mrs. Quigby, No. 182 Essex St., New York, writes us that she had a child which had been unwell for better than two months. She procured a bottle of the genuine Dr. C. McLane's Vermifuge and administered it. The child passed a large quantity of worms, and in a few days was as hearty as ever it had been. Parents with such testimony before them should not hesitate when there is any reason to suspect worms, and lose no time in administering the genuine Dr. C. McLane's Vermifuge. It never falls and is perfectly safe.

This is to certify that I was troubled with a lape worm for more than six months. I tried all the known remedies for this terrible affliction, but without being able to destroy it. I got a bottle of the genuine Dr. C. McLane's Vermifuge, prepared by Fleming Bros., Pittsburg, Pa., which I look according to directions; and the result was I discharged one large tape worm, measuring more than a yard, besides a number of small ones.

MRS. M. SCOTT.

Park and Narrow Gauge Railroad.

The aim of its management is to make Mt. Gretna the most desirable day resort in Pennsylvania; to this end every form of amusement and convenience for excursions and plenics is here provided.

The especial attraction this year at Mt. Gretna is its Narrow Gauge Railway, the completion of which throws open for view the magnificent scenery of the South Mountain. This little two foot gauge railway, unique in design and construction (the only one of its kind in operation), stone ballasted and steel railed, begins at the entrance to the Park and terministes at Governor Dick, the Summit of the South Mountain, 1,300 feet above the sea level. Its cars are miniature reproductions of the highest type of car building.

OBSERVATION CARS. OBSERVATION CARS.

The trains over this division consist of Observation Cars, affording an unobstructed view of the scenery en route. They pass in full view of the Military Parade Grounds, Lake Conewago, the State Rifle Range, and over Horse Shoe Bend, gradually ascending until GOVERNOR DICK is reached, four miles distant. The view from the observatory is especially noteworthy. Church, school, military, and civic organizations, clubs and tourist parties can have free and exclusive use of the Park on application to H.
