"Never are kind acts done To wipe the weeping eyes, But like flashes of the sun,

They signal to the skies; I up above the angels read we have helped the sorer need. Never a day is given But it tones the after years,
And it carries up to heaven
Its sunshine or its tears;
While the to-morrows stand and wait,
The silent mutes by the outer gate.

There is no end to the sky.

And the stars are everywhere,
And time is eternity,
And the here is over there;
For the common deeds of the common
Are ringing bells in the Far-Away."

Dr. R. A. Guzz, M. D., Prof. of Surgery of the United States Medical College, editor of "Medical Tribune," author of "Gunn's New Improved Hand-book of Hygiene and Domestic Medicine," over his own signature said, referring to and prescribing Warner's Safe Cure: "I was greatly surprised to observe a decided improvement within a month. Within four months, no tube casts could be found and only a trace of albumen, and as the patient expressed it, he felt perfectly well."

Three Rebellions a Day.

Three rebellions, obstinate, though bloodless, occur in the stomach of the dyspeptic who partakes of food thrice a day. The digestive organ refuses on each occasion to perform the duty assigned to it by nature, and trouble ensues. assigned to it by nature, and trouble ensues. How discipline, how regulate it? Simply with a wineglassful of the genial invigorant and appetizer. Hostetter's Stomach Bitters, before each meal and before retiring. Digestion will, after a course of this pleasant regulator, become easy, and its forerunner, appetite, also improves. Nervousness and insumina, always induced by chronic dyspepsia, will disappear induced by chronic dyspepsia, will disappear induced by chronic dyspepsia, will disappear with its disappearance thus insured, and constipation and billousness, its usual attendants, also take their leave. Not only will the system acquire strength, but also substance by a more perfect assimilation of the food. Rheumatism, malarial and kidney complaint and neuralgia, yield to the Bitters.

A Woman's Mscovery.

"Another wonderful discovery has been made and that too by a lady in this county. Discase fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her mane is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelbly, N. C. Get a free trial bottle at H. B. Cochran's Drug Store, 137 & 139 N. Queen St., Lancaster, Pa.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regu-late the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere 26 cents a bottle. june25lyd&w

The Verdict Unanimous.

W. D. Suit, Druggist, Bippus, Ind., testifies
"I can recommend Electric Bitters as the very
best remedy. Every bottle sold has given relief
in every case. One man took six bottles and

Abraham Hare, druggist, Beliville, Ohio, affirms: "The best selling medicine I have ever
handled in my 20 years experience, is Electric

HOOD'S SARSAPARILLA.

IT COSTS LESS

On the question of real economy Hood's Sar-saparilla is so far shead of other preparations as to place them entirely out of the race as com-petitors. Here are facts in regard to this popu-ar medicine, easily susceptible of conclusive proof.

1. Hood's Earesparilis Costs the Manufacturer More than any other competing preparation, because it is more highly concentrated and contains more real medical value.

2. It costs the Jobber More, as a consequence of the fact just stated.

3. It costs the Retail Druggist More, for the same reason—as can easily be learned by inquiry. Hence the desire of some retailers to sell their own preparations, which cost them less, and for which they get the same price, thus making more money. But

CHILDREN'S SHOES!

You'll be thinking to-day, per-haps, of buying Slices for the little folks—shoes for knock-about use or finer kinds for dress. That's nat-ural too, for who puts leather and shoe-making to severer tests than stout, active, healthy children? stout, active, healthy children? Whose calls upon the paternal purse, to supply these wants, are more frequent than theirs? Just as well that it is so. Better be it shoes that must be paid for than pills, potions, and he who prescribes. Shoes are cheapest in the end. We have the best maker's best thoughts in footwear that unkes the little one comfortable, and presentable. Come wear that unkes the little one comfortable and presentable. Come with any reasonable fancy you please. The prettiest and most desirable shapes in durable grades are here to gratify it. Cheap, too; surprisingly so. In some makes of Children's Shoes we've too many of one size—more than's necessary to balance the line; more 11's, more 12's, more 1's than we want; clean, perfect in every way, and real pretty shapes. Bring in the little feet that must needs be covered neatly and strongly. If we can fit them from these sizes these shoes shall be yours very cheap. Pebble Morocco Shoes that were \$1.50 and \$1.75, reduced to \$1.00 and \$1.25. American Kid, were \$1.50 and \$1.75, reduced to \$1.00 and \$1.25.
