IS JESSE JAMES DEAD? A Man Who Knows Him Says He is Still Alive.

Something of a sensation was caused in Cincinnati, on Monday, by the publication of a letter in the Evening Post, positively stating that Jesse James is not dead, and that another man was shot instead of him.

Reporters are inclined toward the sensational, but when it is stated that Jesse James is still living a truth has been stated. My opportunities for knowing whereof I speak have been exceptionally good.

In the first place any one who knows Frank James knows that the Ford boys could not have killed Jesse and then have lived quietly at the home he did.

A few days after the St. Joe murder the writer saw Frank pass within sight of the Harbison farm, where the Fords were living with their sister, Mrs. Bolton.

The James gang was a man who resembled Jesse in almost everything save courage. This man was Sam Hill, and his wife was a daughter of Wm. Hill, of Morton, Ky.
