A SNAKE AROUND HER NECK. Thrilling Adventures of Mrs. Stetson

and Her Pincky Daughter. Mrs. Stetson and daughter, of near New Castle, Pa., were "berrying" in the vicinity of Harbor Bridge when they had a lively encounter with a snake. Mrs. Stetson was making her way through a thicket of small trees and bushes, her daughter following at a distance of fifteen or twenty yards. Suddenly a long snake of a greenish brown color swung from a

or twenty yards. Suddenly a long snake of a greenish brown color swung from a small tree at Mrs. Stetson's side, and quick as a flash began coiling itself around her neck and shoulders.

Almost paralyzed with fright, the woman stood rooted to the ground for almost a minute. Then recovering her senses she serosmed loudly for help. Miss Stetson rushed forward to ascertain the cause of the outery. She was horrified upon reaching the spot to see her mother in the coils ing the spot to see her mother in the coils of the reptile. The poor woman had suc-ceeded in getting her hands around its slimy body about six inches from the head. Her hold was a firm one, but it required all her strength to keep the snake from getting its head close enough to do injury with its fangs, which it kept thrusting at

All this time it kept tightening its grip around her neck and soon her face began to assume a purplish hue, while her tongue, swollen to twice its natural size, hung from her mouth and her eyes bulged almost from their sockets.
Miss Stetson is a cool and nervy young

lady, and grasping a stick she struck the snake a telling blow on the head. This caused it to lossen its coil, but not before the women had fainted. Her daughter then attempted to pull the serpent away but found her mother's fingers deeply inibedded in its flesh and all efforts to get

The young woman then proceeded to carry and to drag by turns her new unconscious parent to a stream of water about fifty yards from the place. A liberal application of the cool liquid brought Mrs. Stet-son back to consciousness.

She still grasped the snake in her hands

and it required no small effort, accom-panied by pain, for her to straighten her fingers sufficiently to allow the snake to

drop from her grasp.

She was then assisted to a farm house half a mile distant where she was kindly cared for, after which she was conveyed to her home in a carriage. The shock was too much for her and Mrs. Stetson is now lying at her home in a critical condition.

A Picule and An Accident. A society connected with the Latheran church of Mount Joy, numbering 62 members, held a pienic at Wild Cat Falls on Wednesday. During the day a young lady member of the party fell from a hammock and injured herself so badly that she became unconscious. Dr. F. S. Frantz, of this city, who was also spending the day

at that resort, attended her injuries. Scared by the Road Roller. A Mr. Landis, from Conestoga Centre, was driving on North Queen street, near Lemon, on Wednesday afternoon, when his herse scared at the road roller, which was coming in the opposite direction. The horse, turning short, upset the wagon and the occupants of the vehicle were thrown

Sued for Assault and Battery. Robert Scott has been presecuted before Alderman Barr for assault and battery on Emanuel Benson. He gave bail for a hearing and will probably bring a cross suit

against Benson. Miss Katie Garrecht is spending her vaation in Philadelphia and Atlantic City. John Shaub, of the firm of Shaub &

Borns, wife and child are spending their vacation in Strasburg and vicinity, Mr. and Mrs. John Ridenour, of the City hotel, left this morning for Atlantic City. They will be gone a week. The barvest pienic, which will be held at

Mount Gretna on Saturday, promises to be John S. Givler and family are spending the day at Wild Cat Fails with the family of John Best, who have been camping

there during the past two weeks. Miss Annie Echternacht and her cousin who is visiting her, left yesterday to visit relatives at Strasburg. From there they will take a two weeks' drive through the

southern end of the county. Mrs. Emily J. Lechler, of Tyler, Minn., and widow of the late James P Lechler, who has been spending the past eight months with relatives in this city, left this morning on the Atlantic Express to visit friends in New England. She will return to Minnesota via Niagara Falls. During her stay here Mrs. Lechler has made many friends, who will be sorry to hear of her

Four Lives Lost. An explosion of naphtha occurred at Buffalo, Wednesday afternoon, on the steam yacht Cedar Ridge, which was about to start on a pleasure trip down the river. Edith and Larney Crocker were burned to death, Howard Crocker was drowned, and John Fubenstein, a carpenter, was burned to death by his boat house taking fire from the yacht. Three other persons were injured.

A Race Dispute at York. Races were announced to be run Wednesday on the York county fair grounds at York. The second race was between C. S. Newman's Little Fritz, a pacer, driven by Emanuel Boner, and Joseph Ruddisil's Charley, a trotter. Little Fritz won the first heat easily, but the result of the second heat was alleged to have been brought about through Boner pulling the pacer and giving the trotter every advan-tage possible. The judges, Messrs. Hake, Heilman and Wogan, gave the second heat to Little Fritz against the protests of both drivers. The audience sustained the judges and considerable wrangling ensued. Jos eph Ocker, of Littlestown, Pa., the horse dealer, well known in this city and county who was backing Little Fritz, was loud in denouncing the way he was driven. Boner addressed a number of hard names to him about mixing into the affair, when Ocker, it is alleged, attempted to strike him. Boner's brother, a city policeman, shoved a revolver into Ocker's face and dared him to hit his brother. Ocker called the police-man a coward, and walked right up to the muzzle, saying he was alraid to Constable Still stopped the trouble. The judges called for the horses, and as they did not appear, all stakes, bets and race were declared off. Policeman Boner was arrested at night by Ocker.

Meeting of An Important Committee. The committee, appointed to prepare a digest of the proceedings of the synod and general synods of the Reformed Church in the United States, which was appointed at the last meeting of the general synod in Akron, Ohio, met in the Reformed church at Millersville, Pa., on Wednesday at 9 o'clock. Four of the seven members were present; Rev. Geo. W. Welker, D. D., of North Carolina, (chairman); Rev. Dr. E. R. Eshbach, of Frederick, Md.; Rev. Cyrus Cort, of Greencastle, Pa.; and pastor loci, Rev. John P. Stein, Letters of regret, giving reasons for absence, were received from Rev. Dr. Reiter, of Ohio, and Elder C. M. Bousch, of Meadville, Pa. Rev. Stein was chosen secretary of the committee. Certain principles of classification were adopted by the committee, and Dr. Eshbach read a lengthy manuscript giving data of the Potomac synod, which he had collated for the proposed digest. Rev. Cort read the data of the general synod from the begining down to the late meeting in Akron, Ohio. The committee will hold a meeting to-day at Franklin and Marshall college.

Mary Washington Again in Trouble. A quarter sessions court would not be complete without Mary Washington's appearance, either as a defendant, prosecutrix or witness. She is generally a defendant. For the present term she is both defendant and prosecutor. She was arrested yesterday in Martic township for committing an assault and battery on Elias Harman, and being unable to furnish, bail was committed for trial. Mary claimed that Elias threatened her, and she made complaint against him for surety of the peace before Alderman Barr. The usual result will follow, Mary for costs, and for 90 days she will board at the county ex-
