ELECTRICAL EXECUTION.

They placed the form of the murderer
Upon the electric wrack,
And fired 1,700 volts
Into his naked back.

He quivered an awful moment,
Then, quietly raised his head,
And asked that his friends might take
The corpus of the dead.

But the cruel executioner,
Again discharged the bolts—
At least a score or two of ohms
And full 3,000 volts.

Now this is simply shocking,"
The murderer did say,
"Go get a rope and let me die
In the good old-fashioned way."

—*From the Trenton Register.*

Three Victims of a False Prophet.

The most remarkable religious craze has seized the negroes near Bessemer and the country intermediate between that place and Birmingham, Ala. For some time past Tobias Jackson, an old negro, has been proclaiming himself as "Daniel the Prophet," and doing all kinds of wild and queer things.

On Saturday last he persuaded three young negro men that they were representatives of Shadrach, Meshach and Abednego. He claimed that a furnace where iron is melted and cast into all kinds of forms was the furnace of Nebuchadnezzar, and that they should enter it and pass through without the smell of fire.

The three negroes, under the influence of their new prophet, deliberately entered the gate of the cupola of the furnace and rushed headlong into the white heat of the melting iron. When they failed to come out, Jackson, the prophet, proclaimed that he saw them rising in the air with the smoke of the furnace, attended by angels, and said that they would revisit the earth next Sunday. The negroes propose to meet at church next Sunday and pray while awaiting the descent of the three children of Israel.

The mother of one of them said that she felt sure her boy was in heaven.

Fixed Penalty Upon Himself.

A Mennonite minister by the name of Landis, walked into a Norristown justice's office on Tuesday and voluntarily paid $15 in fines for his violation of the gaming laws. He shot a rabbit in January and gave it to a boy, who, in turn, sold it to a neighbor. The minister did not learn that he had violated the law until he spoke of the circumstance, and was then told by a neighbor that it was illegal to shoot rabbits after January 1. His conscience troubled him, and, after consulting his Bible, he resolved on making reparation for his unwitting offense. After he had made amends for himself he started for the railroad station, but returned later to make good the amount of the fines of innocent violation.

Shaken, Broiled and Drenched.

There are three participles of English grammar. They are also the three successive conditions undergone every day, every other day or every third day by the unhappy wretch heedless enough to allow fever and ague to fasten its clutch upon him. No need of it—none. Hostetter's Stomach Bitters will and does preserve those who use it from every type of malarial disease, whether intermittent or bilious remittent. For nearly thirty-five years it has been a professionally recognized specific for and preventive of these tenacious maladies, not only on our own soil, but in tropical and equatorial lands where the scourge is prevalent at all seasons and in its worst form. Biliousness, dyspepsia, rheumatism, kidney complaint, nervousness and debility are also ailments to the complete removal of which the Bitters long since demonstrated its adequacy.

A Sound Legal Opinion.

E. Bainbridge Munday, Esq., County Atty., Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. L. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: He positively believes he would have died, had it not been for Electric Bitters.

This great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders stands unequaled. Price 50c. and $1, at H. B. Cochran's Drug Store, 137 and 139 N. Queen St., Lancaster, Pa. (6)

OF INTEREST TO LADIES.

Superfluous Hair!

Superfluous Hair!

Superfluous Hair!

Superfluous Hair!

OF INTEREST TO LADIES.

AN ESTABLISHMENT IN PHILADELPHIA where ladies can have Superfluous Hair permanently removed from the face by Electrolysis (the Electric Needle operation).

Dr. J. Van Dyck, Electro Surgeon, 40 North Eleventh street, Philadelphia, permanently destroys Superfluous Hair without pain, scar, shock or trace, by the Electric Needle operation.

In answer to many letters from fashion and scientific journals and from ladies from all parts of the country, in reference to this operation, Dr. Van Dyck respectfully states that the Electric Needle process is endorsed by all physicians and surgeons of eminence as being the only method known to science by which superfluous hair can be destroyed. It is almost painless, causing a mere stinging sensation.

The needle is inserted painlessly into the follicle alongside of the hair, completely destroying the papaila of hair germ, so the hair can never grow again. Leaves no scar nor trace; never fails; length of time depends upon the number of hairs to be destroyed; the presence of the patient is required at the office.

Every lady with hair on her face knows that depilatories, heated wax, pumice stone, the tweezers, scissors or razor, only makes these hairs grow harsher, coarser, darker and more numerous.

Remember, ladies, this is a delicate surgical operation, and should never be performed except by a physician or surgeon, or under his care.

Dr. Van Dyck is a regular graduate of medicine and surgery; has practiced in Philadelphia for twenty years, and performed the electric needle operation for the first time thirteen years ago, having the honor of being the second physician in the world to perform this operation and the first to use it in Dermatological practice. Since then the demand for his services in this specia ty has become so great that he has given up all other practice and makes an exclusive specialty of Electro-Surgery and Dermatology.

No physician living to-day has written so many articles for fashion, literary or scientific journals on the subject as Dr. Van Dyck has. As an illustration of the universal interest taken in it, the Doctor has answered 9,000 letters in the last three years from ladies from every part of the civilized world.

Every lady troubled with superfluous hair should consult Dr. Van Dyck, and should read his book, which is mailed free to every one writing for it.

Superfluous hair is surprisingly prevalent. We see it in the drawing room, theatre, on the street, and wherever ladies congregate. At least 35 of every 100 ladies have more or less superfluous hair at some time during their lives. Remember this, no matter if you are 15 or 75, whether you have 20,000 or a few straggling hairs on your face, every one can be destroyed forever.

Don't hesitate to consult Dr. Van Dyck freely and with confidence. Rich or poor, young or old, he will examine your case cheerfully. No fees unless you are treated. Call at once. Office and operating rooms, 40 N. Eleventh street, Philadelphia. Hours, 9 to 5; Sunday, 10 to 3. Never fails. Advice free. Book free. Note—Birth marks, red nose, enlarged veins of the nose, cists, cancers and tumors removed by Dr. Van Dyck. Terms to suit rich and poor. Send for book.

NOTE—SUPERFLUOUS HAIR.

Ladies who cannot come to Philadelphia for treatment will notice that Dr. VanDyck will have parlors at the Stevens House, Monday, Tuesday and Wednesday, Sept. 2, 3 and 4.

Terms Very Low. Hours—8 to 5.

DRUNKENNESS

—OR THE—

LIQUOR HABIT POSITIVELY CURED BY ADMINISTERING DR. HAINES' GOLDEN SPECIFIC.

It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless, and will effec a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist. For sale by

Sugars Reduced

ONE-HALF CENT PER POUND ALL AROUND.

The Sugar Trust is loaded down with too much Sugar. Claus Spreckles, with his Big Refinery almost completed, is close to their heels.

OUR PREDICTIONS.

Several weeks ago we predicted a break in prices of sugar and so informed our trade. It could not be otherwise. The country was loaded down with it at high figures. The stock at the refineries was accumulating at a wonderful rate. Claus Spreckles' Big Refinery, to open September 1, with an output of about 6,000 barrels a day. Think of it! Could it well be otherwise? We look for another decline. Keep your eyes open.

COFFEES!

Coffees have declined, and we have given you the benefit of the decline by marking them down two and three cents a pound.

Tea never was so low, and when you reckon that one pound of Tea will go as far as five pounds of Coffee it is worth considering.

MARKED DOWN IN PRICE.

MEN'S LOW SHOES!

The season for the sale of Low Cut Shoes is drawing to a close. There will, however, yet be many days when they may be worn out doors with comfort. And, perhaps, we can persuade you to buy a pair of these that yet remain here if we make the price an inducement to do so. A dollar is a low figure to pay for Low Shoes, if they're but reasonably good. That price is common for Slippers that are far from being the best. Yet, at $1.00 we'll sell you a pretty shoe and guarantee it to outwear any two pairs of $1 Leather Slippers sold in the city. They're easy and comfortable on the feet, durable, and maintain their shape much longer than do slippers. Excellent for in-door wear. Butchers, bakers and bar-keepers will find them so, we're sure, if they'll but give them a trial. Every other grade up to the finest are marked down in price, as well. Plain Toe Strap Ties that were $1.50, now $1.25; Strap Ties and Lace Oxfords that were $2.00, reduced to $1.50; same styles that were $2.50, now $2.00; Southern Ties, Strap Ties and Oxfords that were $3.00 to $6.00, cut in price $1 per pair. All new, clean and perfect goods, bought this season. Any size, any width, to fit any foot, slim, medium or extra wide.

As we have secured the agency and sole control of "The Celebrated" Frank D. Weylman & Co.'s Fine Philadelphia Ladies', Misses', Children's and Infants' Shoes, and as it is necessary to run a large line of any make to keep the agency or control of them, we have decided to mark down the whole line (Ladies', Misses' and Children's), of James Cotter's Fine Philadelphia Shoes, and run in their place the above mentioned line. In order to sell them off in a short time, we have marked

EVERY PAIR BELOW COST.

Ladies' French Kid, Common Sense and Opera Toe Shoe, C. D. and E. widths, $3.50; former price, $4.50.

Ladies' Bright Dongola Common Sense and Square Toe Shoe, C. D. and E. widths, $3.00; former price, $4.00.

Misses' French Kid, Opera and Square Toe, C. and D. widths, $3.00; former price, $4.00.

Misses' Bright Dongola, Opera and Square Toe, C. and D. widths, $2.25; former price, $3.00.

Misses' Curacoa Kid, High Cut Heel and Spring Heel, C. and D. widths, $1.50; former price, $2.00.

This line we have sold for about three years, and our many customers who wear them can testify to their qualities. Since they have been marked down they have been selling very fast and cannot last very long, so do not blame us if you fail to save $1.00 by buying a pair of this lot.
