S. INTELLIGENCER-Numerous com plaints have been made by residents and passers-by on West Lemon street, between Mulberry and Mary, as well as on some of he adjoining streets, on account of the adolerable stenches that prevail in that ocality, especially during the evening and ght, so much so that residents are comled to close doors and windows. These es are caused by persons depositing ful, garbage, the contents of water closets, o, on some of the lots in the neighborhood, and are certainly a menace to the health of the people re-siding there. The many cases of typhoid and malaria—a half dozen within e block at the same time, some of which have proved fatal, are certainly an indica-tion that something is wrong in that locality. This again shows the necessity of board of health, for whose expenses a penny-wise and pound foolish councils have refused to make an appropriation. In the absence of a board of health would it not be well for the police authorities to ferret out the guilty parties and put a stop to this nuisance, which is endangering the
