ARTHING FOR SOMEBODY. the file, little man?
Well you a wonderful trick
will bring you contentment
anything can,
something for somebody, quick;
something for somebody, quick;

hough it rains like the rain
Of the flood, little man,
and the clouds are forbidding and thick,
on can make the sun shine
In your soul, little man,
to something for somebody, quick;
on something for somebody, quick.

BRIDEGROOM KILLED BY A RIVAL ernh Cutler and Kept His Word.

Sarah Cutter and Kept His Word.

A most deliberate and cold-blooded murder occurred in Montpeller, Vt., in the cowardly killing of George Gould, a young armer, just twenty-four hours married, by his rival.

On Wednesday, at East Montpeller, Gould married Laura Cutler, daughter of the late William Cutler, a wealthy farmer, whose property as only child she had inherited. Ever since the war and up to the time of Cutler's death there had resided with him on the farm one James Sherman Caswell, a veteran of the Thirteenth Regiment, Vermont Volunteers, aged 46 years. He had known Laura from a child and made love to her when she grew up and proposed, but had been refused for a much younger and better looking man. Caswell threatened to kill the man she married, but no attention was paid to this and the pair wore wedded amid much rejoicing Wednesday evening.

Thursday morning they set out for the

mesday evening.

Thursday morning they set out for the bride's home and as they were entering the door Caswell, who was secreted behind it, atepped out with a double-barreled shotgun and fired point-blank at Gould, blowing away the entire lower part of his face.

The victim fell to the ground and died in a few moments.

The victim felt to the ground and the murderer coolly put up his gun and coming to Montpelier gave himself up, saying he was without friends and wanted to be hauged. He claims that for over a year past he has lived with Laura as her husband and would not let any other man take his place. This is, however, not believed by the friends of the young girl, who is prostrated.

Be Merciful to Yourself, And heed the appeals for assistance put forth by your liver, when the organ, is out of order, Among these are distress in the right side and through the right shoulder biade, yellowness of through the right shoulder biade, yellowness of the skin and cychalis, furred tongue, sour breath, sick headache, and, above all, irregu-larity of the bowels. The mercy you extend to the afflicted organ is wisely shown by a prompt course of medication with Hostetter's Stomach Bitters, most gental of alteratives, and the he-patic gland early reciprocates the deserved at-tention by resuming its secretive functions actively and regularly. Among the accom-panying good results are renewed direction. panying good results, are renewed digestion, freedom from headaches, and a resumption of activity of the bowels. All billous symptoms disappear, and appetite and sleep improve. Beneficient are the effects of the Bitters in me-larial disease, kidney disorder, rheumatic all-ments and nervousness.

A Scrap of Paper Saves Her Life.

It was just an ordinary scrap of wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her nore, bought a nother and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 149 pounds. For fulle particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottles of this wonderful Discovery Free at H. B. Cochran's drugstore, 137 and Lis North Queen street, Lancaster, Pa. To sell the same kind at same price as last season means we have to pay more for it. Last season our profits were small, and it means smaller profits this season. Those who bought our Medicated Red Twill Flannel at Sc last season know what a good article it was, some saving it was better than they saw at 35c, others said it was as good as they saw at 37c, aithough with the advance in the price of wool we will give you the same identical makes of Flannels at the same price you bought them of us last season, and we know when we say, you never bought as good Flannels in your life for the money, we know we are right. All trains of the Cornwall & Lebanon Railroad on arrival at Mt. Gretna station make immediate connection with the Narrow Gauge Railroad. Lunch or dinner can be obtained at the Park restaurant, thus avoiding the necessity of carrying baskets and bundles.

The completion of the Narrow Gauge Railway throws open for view the magnificent scenery of the South Mountain, and this novel attraction is supplemented by the erection of an Observatory 60 feet high on the mountain's highest peak, Gov. Dick, from which a sight may be obtained than which there are few grander, the view taking in an area of forty miles square, and presenting a landscape of unparalleled beauty.

Daily excursion tickets to Mt. Gretna may be obtained on application to the nearest ticket agent.
