THE BANNER OF THE SEA.

By wind and wave the sailor brave has fared
To shores of every sea;
But never yet have seamen met or dared
Grim death for victory
In braver mood than they who died
On drifting decks, in Apia's tide.
While cheering every sailor's pride.
The Banner of the Free!

down,
Not knights nor kings of old,
It brighter far their laurets are than crown
Or coronet of gold;
Our sallor true, of any crew,
Would give the last long breath he drew
To cheer the old red, white and blue,
The Banner of the Bold!

With hearts of oak, through storm and smoke and flame, Columbia's seamen long Have bravely fought and nobly wrought, that

shatne
Might never dull their song;
They sing the country of the free,
The glory of the rolling sea,
The starry flag of liberty,
The Banner of the Strong

We ask but this, and not amiss the claim,
A flect to ride the wave,
A mavy great to crown the State with fame,
Though foes or tempests rave;
Then, as our fathers did of yore,
We'll sail our ships to every shore,
On every ocean wind will scar
The Banner of the Brave;

Oh! this we claim, that never shame may ride
On any wave with thee,
Thou Ship of State, whose timbers great abide
The home of liberty!
For, so, our guilant Yankee tars,
Of daring deeds and honored sears,
Will make the Banner of the Stars
The Banner of the Sea!

Breathing the Germs of Disease.

To inhale the germs of disease with their daily breath is the fate of denizens of malariascourged localities everywhere. The endemic atmosphere poison may, however, be reft of its venom and rondered innoxious by a defensive use of Hostetter's Stomach Bitters. This preminently safe and effective remedy and safeyended by the enables the system to safely brave its assaults. Every physical function is confirmed in or restored to regularity, the circulation quickened if singgish, and a billous habit, which of itself begets a proneness to both intermittent and remittent types of malarial disease, where extrinsic atmospheric cause exist, powerfully counteracted by this inmitable for iffying and defensive agent, which has, moreover, none of the disagreeable characteristics of o drastic cathartic or an alkaloid. Fever and ague, dumb ague and ague cake, and, the colenser of the Isthmus, are conquered by it surely, pleusantly. Rheumatism, neuralgia, gout, kidney and bladder troubles, constipation and indigestion yield to it.

"If humor, wit, and honesty could save" from the ills fiesh is helr to, what a good price they'd bring in the market. Well, twenty-five cents will buy a panacca—Selvation Oil.

A merchant down town sells more of Dr. Bull's Cough Byrup than all other medicines together. It surely must be the best remedy for a cough, cold and other similar affections. Price 25 cts.

THE most obstinate cases of catarrh are cured by the use of Ely's Cream Balm, the only agree-able remedy. It is not a liquid or snuff, is casily applied into the nostrils. For cold in the head it is magical. It gives relief at once. Price 30

Dr. D. McLane's

Vermifuge for Worms! MOTHERS READ.

Andrew Downing of Cranburg Township, Venango County, gave his child one tempoonful of the genuine Dr. C. McLane's Celebrated Vermiruge, and she passed 177 worms. Next morning on repetition of the dose she passed 118 ing on repetition of the dose she passed lismore.

Japhet C. Ailen, of Amboy, gave a dose of the genuine Dr. C. McLane's Celebrated Vermiting to a child six years old, and it brought away 8 worms. He soon after gave another dose to the same child, which brought away 80 more, making 188 worms in about it hours.

Ars. Quigby, No. 182 Essex St., New York, writes us that she has a child which had been unwell for better than two months. She procured a bottle of the genuine Dr. C. McLane's Vermifuge and administered it. The child passed a large quantity of worms, and in a few days was as hearty as ever'it had been. Parents with such testimony before them should not hesitate when there is any reason to suspect worms, and lose no time in administering the genuine Dr. C. McLane's Vermifuge. It never falls and is perfectly mafe.

This is to certify that I was troubled with a tape worm for more than six months. I tried all the known remedies for this terrible affliction, but without being able to destroy it. I got a bottle of the genuine Dr. C. McLane's Vermifuge, prepared by Fleming Bros., Pittaburg, Pa., which I took according to directions; and the result was I discharged one large tape worm, measuring more than a yard, besides a number of small ones.

This Remedy is the prescription of one of the leading physicians of Paris, France, and was used by him with unparalleled success for over thirty years, it was first given to the public as a proprietary medicine in 1878. Since which time it has found its way into almost every county on the face of the globe, and become a favorite remedy with thousands of the leading physicians. Medical societies have discussed its marvelous success at their annual conventions, and after their official chemists have annivated it and found that it contained no opiates, bromides or other harmful ingredients, quietly placed it among their standard remedies.
