

With what a glory comes and goes the year! The buds of spring, those beautiful harbingers of sunny days and cloudless times, enjoy life's novelties, and earth's garments spread out!

There is a beautiful spirit breathing now in the mellow richness of the clustered trees. Here on the mountains, like a summer bird, life up her purple wing and in the vale the gentle wind, a sweet and passionate wooer, kisses the blushing leaf, and sits up life within the solemn woods of ash deep-crimsoned.

By the wayside a-weary, through the trees the golden robins move. The purple fusch, that on wild cherry and red cedar lingers, and from a bower full of richest dye, and pecks by the witch-hazel, whilst alone from cottage roof the warbling blue bird sings.

What a glory doth this world put on for him who, with a fervent heart, goes forth under the bright and glorious sky, and looks on duties well performed and days well spent!

Breathing the germs of disease with their daily breath to the late of denizens of malarial-scoured localities everywhere. The endemic atmosphere poison may, however, be left of its venom and rendered innocuous by a judicious use of Hostetter's Stomach Bitters.

Most machinery must have periods of absolute rest for examination and repair. But the great organs of the body, the stomach, liver and kidneys never rest, and yet they can be kept in perfect order by the use of Laxador.

CUTICURA REMEDY. Skins on Fire. Cured by Cuticura. I am cured of a loathsome disease, known as the worst itching, tried different doctors and been through the hospital, but all to no purpose.

Burning and Itching. I was sick in the fall of 1887 with a burning and itching so bad that in three weeks I was covered with a rash, and could not get a night of work days. Some doctors thought it might be eczema (eczema), and they had me treated with various remedies, but they had no effect.

Most Intense Itching. I have used the CUTICURA REMEDY successfully for my baby, who was afflicted with eczema, and checked up with it for one month or more. The itching is gone, and the skin is healthy, and is now a healthy, rosy-checked boy.
