Watt & Shand, the enterprising East King street dry goods firm, have just made some great improvements in their fine store, which will give much more room. The store, in the rear part of the room there was formerly a clonk and shawl room. This has been taken away and instead a silk counter has been made and the linen counter greatly enlarged. The cashier's room was formerly just back of the centre of the large room, and it has been removed to the extreme rear against the souther wall. It is connected with every part of the wall. It is connected with every part of the streeby the Lamson cable system used for carry-ar cash. It is run by electricity and works with ne createst smoothness. The little boxes with money are kept shorting through the air with lightning-like rapidity and the salesmen farthest leak as easily as though he was at it. Dootors?
In the subdivision of labor incident to civilimation, every mother necessarily becomes a
nurse. She decides whether the little one is ick, and immediately consults her MENTOR

nurse. She decides whether the little one is sick, and immediately consults her MENTOR which gives, at the outset, an amount of useful knowledge at which many arrive only after years of experience.

It is needless to state whose MENTOR or Family Adviser, she has in her possession. Dr. Humphreys' Mentor and Cases of Specifics have found their way into every household, and are too well and widely known to require special comment. Have you Fever or Inflammation, a Chill or a bad Cold, three pelicts of SPECIFIC NO. ONE every few hours afford speedy relief. If a Sore Throat or a bad Cough, and the children troubled with Colle, Crying or Wakefulness, SPECIFIC NO. THREE is what the mother gives instead of the old nauseating mixtures. Is it Whooping Cough, SPECIFIC NO. TWENTY never falls, and so all through. And what a change! No suffering: no fretting; no going supperless to bed—that being the silternative. The child simply takes the little sugar pill SPECIFIC wishing the dose was larger, and the work is accomplished. We repeat: "What a change!" It is thus demonstrated that the "MILD POWER CURES."
