A Young Woman's Crime.

Carrie Hill, aged 18 years, has been arrested in Topek's, Kansas, for theft. Four weeks ago she got a clerkship in Halmon & Co.'s millinery and fancy goods store, and since then she has not only robbed them repeatedly, but has carried away with her three wagon loads of goods worth \$1,000, which were found in her room and I ientified by the firm. A year ago she clerked a week or two for Bernheimer & Liwis, and in the search on Saturday several hundred dollars' worth of goods that she had taken from them were found.

Unjust Taxation.

It is unjust to tax the stomach with burthens that it cannot bear. Many silly people thus tyrannise that faithful servitor until it rebels and pun'shes them as they deserve. Dyspepsis is usually the child of gostronomic folly, but whether this or the natural associate of inherent feebleness from childhood, it is surely and pleasantly remediable with Hostetter's Stomach Bitters, the finest and most highly sanctioned gastric tonic in existence. As a result of the tone imparted to the stomach, and the increased activity of its digestive and assimilative action, insured by the persistent use of this benigs invigorant, general stamina is augmented, the nerves strengthened and tranquilized, and a tendency to insomais and hypochondriasis defeated. Billousness, chills and fever, rheumatism and kidney troubles are conquered by this admirable medicine.

THE most obstinate cases of catarra are cure by the use of Ely's Cream Balm, the only agree-able remedy. It is not a liquid or snuff, is easily applied into the nostrils. For cold in the head gical. It gives relief at once. Price &

Mrs. Jones, how is your health this morning?
Thank you, madam, much improved. I bought a bottle of Dr. Bull's Cough Syrup last night, and, after the first dose, my cough was checked, I slept well, and have not coughed one this morning.

HEADACHE TROCHES BRIGGS' HEADACHE TROCHES

SICK HEADACHE IN ITS NERVOUS, BILLIOUS, OR CONGE edy is the prescription leading physicians of Paris, France, and was used by him with unparalleled success for over thirty years, it was first given to the public as a proprietary medicine in left. Since which time it has found its way into almost every county on the face of the globs, and become a favorite remedy with thousands of the leading physicians. Medical societies have discussed its marvelous success at their annual conventions, and after their official chemists have analyzed it and found that it contained no opisies, bromides or other harmful ingredients, quietly placed it among their standard remedies.
