Unjust Taxation. It is unjust to tax the stomach with burthens it cannot bear. Many silly people thus mize that faithful servitor until it rebels tyramize that fathful servitor until it rebels and punishes them as they deserve. Dyspepsia is usually the child of gastronomic folly, but whether this or the natural associate of inherent feebleness from childhood, it is surely and pleasantly remediable with Hostetter's Stomach Bitters, the finest and most highly sanctioned gastric tonic in existence. As a result of the tone imparted to the stomach, and the increased activity of its digestive and assimilative section, insured by the persistent use of this benign invigorant, general stamina is augmented, the nerves strengthened and tranquilized, and a tendency to insomnia and hypochondriasis defeated, Billousness, chills and fever, rheumatign and kidney troubles are conquered by this admirable medicine.

Dr. Bull's Cough Syrup is particularly recom-mended for children. It cures coughs, colds, croup, sore throat, and whooping Cough. It is pleasant to the taste, and acts like a charm. 25 pleasant to the taste, and acts like a charm. 25 cents.

"Jack shall pipe and Gill shall dance "just es long out in the open barn as they please. The free born American citizen don't fear neuralgia with Salvation Oil to the front. Price only 25

A new idea embraced in Ely's Cream Balm Catarrh is cured by cleansing and healing, not by drying up. It is not a liquid or snuff, but is easily applied into the nostrils. Its effect is magical and a thorough treatment will cut the worst cases. Price 50c. 08-2wd&w

Prof. M. G. Greenieaf, the well-known authou, says: "An intelligent comprehension of the action of alcohol and whiskey, will have a greater influence in premoting temperance than adhesion to a dogma."

Such high scientific authorities show that pure whiskey should be used as a bossehold remedy. No father or mother need hastists for a moment to administer Dusty's Fure Mait Whiskey to the children, and it is simply bigory to allow the word whiskey, which is the name of this medicine, to stand in the way of the wonderful benefits to be derived from its use. It should be remembered, however, that these effects are only to be secured by the use of pure medicinal whiskey like Dusty's and care should be taken to use no other.

ELIZABETH, N. J., June 38, 1888.

This is to certify that I have used for some months with much satisfaction, the combination of remedies, for Headachs, known as BRIGGS HEADACHE TROCHES. The remedy cures more headaches, especially such as affect Nervous Women, than anything I am acquainted with, and if this certificate will be the means of bringing it to the favorable attention of sufferers from that trouble, I shall feel that I have done them a service.
