Lovely timis in the wrong place are reft of their charm. A lemon colored countenance—the peculiar endowment of our pig-tailed pretaren who "hit the pipe"—is unbecoming, it suggest bile going astray, and the interference is correct. Fain beneath the ribs and shoulder blades, constipation, dyspepsia, furred tongue and sick beadsches supplement this indication of the bilious. For liver complaint and its biades, constipation, dyspepsia, furred tongue and sick headaches supplement this indication of the billous. For liver complaint and its multitarious symptoms, Hostetter's Stomach Bitters is an h. failible specific. It relaxes the bowels sufficiently, but without griping or violence. To the secretion of bile it gives a due impulse, but banishes an excess of that saffron colored principle from the blood. Sick headaches, soveness disappear when it is used. It renews digestion, fortifics the system against malaria, counteracts a rheumatic tendency, and remedies inaction of the kidneys.

"Another wonderful discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Luts." Thus write W. C. Hanrick & Co., of Shelby, N. C.—Get a free trial bottle at H. B. Cochran's Drug Store, 187 & 139 N. Queen St., Lancaster, Pa.
