PAROON FOR HILDEBRAND.

THE WIDOW OF MEXEY ESHLEMAN AGREES TO ALLOW HIM LIBERTY.

Jurors Also Sign the Application For Clemency-Abe Buzzard Refused Pardon But Gibson May Get Onc.

The board of pardons on Tuesday recom-mended a pardon for Millard F. Hilde-brand, of Strasburg, convicted of man-daughter. Hildebrand was sentenced on singhter. Hildebrand was sentenced on February 11, 1884, to nine years and nine months for the killing of Henry Eshleman in a quarrel at Strasburg. Hildebrand's record in the Eastern penitentiary was good and with the commutation off he would not have long to serve. The petition for the pardon was signed by several of the jurors who convicted him, the widow of the man killed, and by nearly every resident of Strasburg. P. D. Baker was his counsel.

dent of Strasburg. It. B. Baker was an scounsel.

A. B. Hassler appeared before the board on behalf of Abe Buzzard, who asked for a pardon. He is now serving a term for the robbery of Geo. W. Steinmetz's store and Isaac Becker's blacksmith shop. The ground alleged was that he was unjustly convicted, not having been a party to those offenses. Counsel used in his argument the dying declaration of Mary Goodendorf made to Jacob B. Amwake, her lawyer, that she had sworn falsely in that case because she was angry at Abe Buzzard, and that she desired to right that wrong — It was also shown by Mr. Hassier that Buzzard voluntarily surrendered himself to the authorities.

Mr. Hassier that Buzzard voluntarily surrendered himself to the authorities.

His pelition for a pardon was signed by
11 of the 12 juriers who convicted him
Wm. B. Pfahler, now of Philadelphia, declined to sign, because he was opposed to
anyone being pardoned. Letters were also
read from the state board of charities, and
from many prominent citizens of New
Holland and vicinity asking the board to
pardon Buzzard, as they believed he was
refermed, and has served the sentences
imposed for all the offenses, except the
ones of which Mary Goodendorf's dying
declaration says he was innocent.

The board refused to grant the pardon.
Another effort will be made in November
by which time it will probably be shown
who the parties were who committed the
Steinmetz and Becker robberies.

The board held under advisement the
application of Charles Gibson for a pardon.
It will probably be granted at the next
seesion.

H. Jacobs, the murderer of Elmer Quig-ley, to-day received a telegram from Sec-retary of the Commonwealth Stone that a respite has been granted.

Jacobs was to have been hanged next Thursday.

The Sentiment for Making Nine Wards of the Three is Extending.

Columbia, Oct. 16.—There is likely to be a movement started here to have the borough divided into nine wards. The borough divided into nine wards. The populicans and Democrats. The borough has now but three wards and almost every precion each of the wards poli upward of one thousand. The first ward is probably the largest and the polling place is at Front and Walnut streets, which makes it very inconvenient for the voters residing beyond Sixth street. The Second ward is about the same, only the polling place, at Third and Locast streets, is a trifle more convenient. The Third ward, although not having the largest number of residents, covers the largest territory. The matter of cutting each of the wards so as to divide the town into six wards has been discussed a number of times, but as yet nothing has been done. A prominent politician said this morning that three wards that polls as many votes as this town is three wards.

A Boy Bun Over By the Cara in Attempting to Board a Train.

Frank Ziegler, a boy about fourteen years of age, son of a butcher residing in the lower part of Marietta, met with a terrible sceident about noon to-day. He was waiking along the railroad track, just west of Watts' Stabion, when an eastern bound freight train came along. He attempted to board it for the purpose of taking a short ride along the village, as is the custom of many boys. In doing this he missed his hold and fell under the cars, which passed over his legs. One of the limbs was cut off between the ankle and knee and the other so badly crushed that amputation may be necessary. The boy was removed to his home, where he received medical attention.
