Curious Things. The funny things in the news of the day are plenty enough for the reader who likes a smile of the harmless kind.

There is a funny side to the stately receptions and dignified proceedings of the three Americas, for after being banqueted in many cities they reach Chicago, and have their appetites ruined for several months by watching various amusing things recorded in the sentimental telegram of the Emperor of Germany to grim old Bismarck.

Then there is a man held by the police in Philadelphia who was supposed to be Tascoti, the murderer. As he calmly declares that he steals for a living, and adds that he knows more about the murder than the police do, they very wisely conclude that he certainly must be somebody.

Senator Farwell, of Illinois, when asked whether it was true that the president had asked why he and his colleagues in the Senate and the House did not submit a list of five or six names for each of the Chicago offices, so that there would be room for the exercise of executive choice in filling the places.

For a year I was afflicted with a horrible case of blood poison, and upwards of five months of that time I was unable to do work of any kind. My hair had fallen out and my half dropped out, leaving my head as clean as a billiard table. I had been treated by the best local physicians, and spent hundreds of dollars for medicines of different kinds, but without result.

For three years I was afflicted with rheumatism, four years of which I was compelled to go on crutches. Words are inadequate to express the suffering endured during that time. During these five years of existence I was not living, I tried every known remedy without any benefit, and was nearly driven to despair.

What is Catarrh? Catarrh is an inflammation of the mucous membrane, and may affect the head, throat, stomach, bowels or bladder. But catarrh of the head is the most common, often coming on so gradually that it has a firm hold before the nature of the trouble is suspected.

Impure Blood. Its local symptoms are a sense of fullness and heat in the forehead, dryness in the nose and back part of the throat, and a disagreeable discharge from the nose. When the disease gains a firm hold on the system, it becomes chronic, and is then exceedingly dangerous and treacherous, liable to develop into consumption.

Hood's Sarsaparilla. It is the remedy for this ever increasing malady. It attacks at once the source of the disease by purifying and enriching the blood, which in passing through the delicate passages of the mucous membrane soothes and rebuilds the tissues, giving them tendency to health instead of disease, and ultimately curing the affection.

Hood's Sarsaparilla. Sold by all druggists. \$1; six for \$5. Prepared only by C. I. HOOD & CO., Lowell, Mass., 100 DORSETT ONE DOLLAR.

Levan's Flour. Uniform and Reliable. Hardware. GREAT ATTRACTIONS! Marshall & Rengier's, 9411 SOUTH QUEEN ST.

Stoves, Heaters and Ranges OF EVERY DESCRIPTION. The Largest Assortment of GUNS AND RIFLES in the City.

A SUPREME COURT DECISION. Time Limit For Commencing Suit Disregarded. In the case of J. V. Bonnet vs. the Pennsylvania Insurance Company, the opinion was by Chief Justice Paxson.

The Prosperous Farmers. From the National Advocate. In the report of the bureau of statistics of labor of the state of Ohio, for the year 1888, the following list is given, showing the amount of farm mortgages in the states named:

Ohio \$70,000,000 Indiana 28,000,000 Illinois 20,000,000 Wisconsin 25,000,000 Michigan 15,000,000 Minnesota 17,000,000 Iowa 20,000,000 Nebraska 14,000,000 Kansas 20,000,000 Missouri 25,000,000

Total farm mortgages in these states \$3,425,000,000. By the census of 1880 the total value of all the farms in these ten states was reported as \$3,107,040,083, and it is doubtful if the census of 1880 will show that those farms are worth as much now as in 1880; therefore the startling fact is before us that in one of the most thriving agricultural states in the Union the farmers are mortgaged for two-thirds of their value.

A great many remedies are advertised to bring them before the public, who decide whether the article is good or bad. The good reputation which Dr. Bull's Baby Syrup enjoys is a standing guarantee of its merits. Price only 25 cents. For sale by all druggists.

Death to the Parasites. Which hide between the gums and teeth, and eat into their destruction, SOFTEN DENT is master of the situation. Whenever used it regularly after every meal, and cleanses his teeth and mouth, will soon be rid of the parasites.

It's Had Enough. To flog away one's precious time in experimenting with uncertain medicines, when one is afflicted with the remote sores and ulcerated surfaces. The history of the efforts to cure catarrh during the past ages is to admit that only one remedy has met these conditions, and that is Dr. Williams' Pink Pills for Pale People. This remedy has mastered catarrh as nothing else has ever done, and has cured thousands of patients who were in Dr. Williams' Golden Medical Discovery. For liver, blood and lung diseases it is specific. W. T. HAW

The best medical writers claim that the successful remedy for nasal catarrh must be non-irritating, easy of application, and one that will reach all the remote sores and ulcerated surfaces.
