had. All Hallowe'en was generally observed last night by the younger portion of the people. All manner of jokes were played, but the most senseless was the throwing of flour and lamp black on people while walk-ing on the streets. Boys and girls were provided with this stuff and pedestrians were very fortunate who escaped a dose of flour over their clothing. Warous were flour over their clothing. Ladies' Warm Footwear!

There are comparatively few in this climate who do not in some manner suf-fer from cold and tender feet, caused by wearing rubbers or fine grained leather shoes, which afford no ventilation and confine the perspiration which more or less is likely to appear there than on any other hurt of the body, thus continually keeping them moist, which frequently results in rheumatism or other adments more serious. Beaver Felt Shoes are specially adapted to avert the evils re-cited, in that they absorb all moisture and afford greater warmth and comfort than any other make of footwear. Hereand afford greater warmth and comfort than any other make of footwear. Here-tofore the assortment of shoes of this kind here has been large and varied. This season it is larger and more com-plete than ever. They are standard grades from makers of excellent repute and very reasonable in price. They cannot be made to sell for less money without "cutting" the quality.

Ohio. On Sunday last he came to the home of John H. Epler, in Elizabethtown, and stated that he had worked his way east on freight trains. He arrived in Dauphin county about two weeks ago and had spent the intervening time with relatives in that county and Conoy township, this county. The boy gave as his excuse for running away that he was cruelly treated at home, and did not like the state of Ohio or her schools. Young Kaylor is a cousin of Mr. Epler's wife, and his father thinking he might work his way to Elizabethtown, wrote Mr. Epler asking him to have him arrested and committed to a reformatory. His father mays the boy is incorrigible and has run away from home frequently during the past three years. The boy has been lodged in the station house and an effort will be made to send him to the House of Refuge.

Two Young Thieves.

Last evening George Bright, a man from Harrisburg, called upon Chief of Police Smeltz at the station house and stated that be was in search of two boys, George and Owar, isometimes known as "Buddy") Melheisen, who stole 250 from his home on Tuesday, while he and his wife were ab-sent from home working in a shee factory. As soon as he missed the unoncy he started in pursuit of the boys, tracing them to Newport and thence to York. In making a search of the latter place he was informed that two boys answering the description given had purchased tickets for Lancaster. Bright inquired here and found that no boys of the kind had bought tickets to leave here, so he thinks they are still here somewhere. Chief Smeltz and his officers will look after them. The boys are aged 10 and 12 years, and both wear knee breeches, although those of George are the longer. George has on dark clothing, an orange-colored hat, and haced shoes. Oscar has light clothes, a black slouch hat, and huttoned or congress gaitors. Both boys Harrisburg, called upon Chief of Police buttoned or congress gaiters. Both boys have dark hair.

A., of Frank-lin and Maushall college.
