That blow "naebody any good " are plenty on the storm-vexed Atlantic, to say nothing of the occasionally typhoon-swept Pacific. The hap-less voyager, when shaken up by the heavings of the "briny," should take that pleasantest and most salutary of doses, a wineglassful of Hostetter's Stomach Bitters, the finest stomachic and tonic that ever warmed, regulated and quieted the human interior. Bailroad joited and steamship shaken travelers will exted and quieted the human interior. Railroad joited and steamship shaken travelors will exercise a wise provision by supplying themselves with a sufficiency of this incomparable medicine for the journey. So will mariners, emigrants to the West, and others about to "seek fresh fields and pastures new." Malaria, the scourge of newly cleared and mining districts, is completely conquered and surely averted by the bitters. Liver, bowel and kidney complaint and incipient rheumatism it annihitates.

What is a cold in the head? Medical authorities say it is due to uneven clothing of the body, rapid cooling when in a perspiration, etc. The important point is, that a cold in the head is an inflammation of the lining membrane of the nose, which, when unchecked, is certain to produce a catarrhal condition—for catarrh is essentially a "cold" which nature is no longer able to "resolve" or throw off. Ely's Cream Balm has proved its superiority, and sufferers should resort to it before that common ailment becomes scated and ends in obstinate catarrh.

Is Consumpion Inteurables Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an Incurable Consumptive. Began taking Dr. King's New Discovery for Consumption, am now on my fifth bottle, and able fo oversee the work on my farm. It is the finest medicine ever made."

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? It to, go at once and get a bottle of MRS. WINS-OW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is upon it; there is no mistage about it. Here is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States.
