lived the soul enchanted melody of song; dweit the spirit haunted a demonine throng; sang the lips clated, grief and death were sated; loved and here unmated

fere wintry winds and cheeriess
The dying firelight blew
While he whose song was peerless
Dreamed the drear midnight through
and from dull ombers chilling
rept shadows darkly filling
he silent place, and thrilling
His fancy as thay grew.

From visions of Apollo
And of Astarte's bliss,
He gazed into the hollow
And hopeless vale of Dis;
And though earth were surrounded
By heaven, it still was mounded
With graves. His soul had sounded
The dolorous abyss.

Proud, mad, but not defiant, He touched at heaven and hell, Fate found a rare soul pliant And rung her changes well.
Alternately his lyre,
Stranded with strings of fire,
Led earth's most happy choir
Or flashed with Israfel.

To singer of old story Luting accustomed lays, No harper for new glory, No mendienat for praise. He struck high chords and splendid,

Here through this lowly portal. Made sacred by his name, Unheralded immortal The mortal went and came. And fate that then dented him And malice that belied him, Have cenotaphed his fame.

That blow " naebody any good " are plenty on the storm-vexed Atlantic, to say nothing of the occasionally typhoon-swept Pacific. The hap-less voyager, when shaken up by the heavings of the "briny," should take that pleasantest and most salutary of doses, a wineglassful of Hostetter's Stomach Bitters, the finest stomachic and tonic that ever warmed, regulated and quieted the human interior. Railroad jolied and steamship shaken travelers will exercise a wise provision by supplying themselves with a sufficiency of this incomparable medicine for the journey. So will mariners, enigrants to the West, and others about to "seek fresh fields and pastures new." Malaria, the scourge of newly cleared and mining districts, is completely conquered and surely averted by the bitters, Liver, bowel and kidney complaint and incipient rheumatism it annihilates, novi0to17 ted and quieted the human interior. What is a cold in the head? Medical au thorities say it is due to uneven clothing of the body, rapid cooling when in a perspiration, etc. The important point is, that a cold in the head is an inflammation of the lining membrane of the nose, which, when unchecked, i-certain to produce a catarrhal condition-fo catarrh is essentially a "cold" which nature is or throw off. For three years I was almost crippled with an awful sore leg from my knee down to my nukle; the skin was entirely gone, and the flesh was one mass of disease. Borns physicians pronounced it incurable. It had diminished about one-third the size of the other, and I was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your Curicura Remedies, and the result was as follows: After three days I noticed a decided change for the better, and at the end of two months I was completely cured. By flesh was purified, and the bone (which had been expused fit over a year) got sound. The flesh began to grow, and to-day, and for nearly two years past, my leg is as well as ever it was, sound in every respect, and not a sign of the disease to be seen.

I have been troubled with a skin and scalp disease for seventeen years. My head at times was one running sore, and my body was covered with them as large as a half dollar. I tried a great many remedies without effect until I used CUTICHEA REMEDIES, and am thankful to state that after two months of their use I am entirely cured, I feel it my duty to you and the public to state above case.

AND PERMANENT.

It is the mucous membrane, that wonderful semi-fluid envelope surrounding the delicate tissues of the air and food passages, that Catarrh makes its stronghold. Once established, it eats into the very vitals, and renderslife but a long-drawn breath of misery and disease, dulling the sense of hearing, trammelling the power of speech, destroying the faculty of smell, tainting the breath, and killing the refined pleasures of taste. Insidiously, by creeping on from a simple cold in the head, it assaults the membranous lining and envelops the bones, enting through the delicate coats and causing inflammation, sloughing, and other dangerous symptoms. Nothing short of total eradication will secure health to the patient, and all alleviatives are simply procrastinated sufferings. Sanyordy's Radical Cure (Cure, by Inhalation and by Internal administration, rarely fails; even when the disease has made rightful inroads on delicate constitutions, hearing, smell, and iaste have been recovered, and the disease thoroughly driven out.

EXTRAORDINARY VALUES—Isn'i it a fact, that for the same amount of money you can buy better goods in one store than you can in another? Why? Because some sell their goods at smaller profits, giving you a better article for your money. We claim to sell goods closer than any other house in Lancaster. In our last advertisement we spoke about Underwear. Men's White or Colored at 20c, 25c, 374c, 50c and up. Ladles at 25c, 38c, 50c and up. Now walle you may see the same priced goods at any other store, we claim our goods at the prices are the best value ever offered. Take our Ladles' Vests, starting at 25c, next grade 35c, and so on, perhaps you will say the next grade at other stores is 374c each or 75c per pair, so it is, and our price 35c or 75c per pair, as a pair higher, but for the difference of 3c more we give you a pair of vests that retail at \$1, a saving of 22c on every pair. But we can't speak of every number of Underwear, in Ladles', Men's or Children's, as we have them in Merino, Medicated, Natural Wool, Camel's Hair, etc.

SHAWLS—Extra bargains in Single Shawls at \$1, \$1, \$5, \$1, \$6, \$2 and up. We would call special mention of two numbers in Double Shawls that are way below the regular price. One in a Green, Black and Blue Plaid at \$5.50, which is at least \$1 under price. Another number is one at \$1.50, which, we are sure, you cannot match it quality for less than's, in a great variety of styles. Bargains in Black Thibet Shawls in single and double. Shoulder Shawls from 10c up

BLANKETS—White and Colored Blankets at 75c, \$5c, \$1, \$1.25, \$1.50, \$1.75, \$2, \$2.25, \$3, \$3.50, \$4, \$4.50, \$5, \$6, \$7, \$9. Every kind at the price is a bargain.
