I also tried mercurial and potash remedies, with the same unsuccessful result, but which brought on an attack of mercurial rheumatism that made my life one of untold agony. After suffering four mon ha, I gave up all former remedies and commenced taking Swift's Specific (S. S. S.) After taking several bottles, I was entirely cured and able to resums work. I consider Swift's Specific (S. S. S.) the greatest medicine for blood poisoning to-day on the market.

INHERITED SCROFULA. Swift's Specific (S. S. S.) cured my little boy of hereditary scrofuls, which broke out all over his face. For a year he had suffered, and I had given up all hopes of his recovery, when at length I was induced to use S. S. After using a few bottles he was entirely cured.
