THE Sisters of St. Francis, in charge of St. Joseph's hospital, Lancaster, will hold a pound party at the institution on Thursday (Thanksgiving Day), November 28, for the benefit of the poor under their care. The good sisters cordially invite all friends of the suffering to present their gift of a pound on this occasion. There is no greater or more deserving charity than that of caring for God's poor in sickness. And whatever we do to share the burden with the sisters who dedicate their lives to this noble work will undoubtedly receive the reward of a hundred fold promised by our Lord. n22-3t

HALF column editorials, full sheet posters and crowded circulars are not needed to keep full the job work file in the INTELLIGENCER office. Neither is persistent canvassing necessary. The job work turned out here speaks for itself. The patrons of this office get the best at lowest possible prices.

CUTICURA REMEDIES.

An Awful Sore Limb
skin entirely gone. Flesh a mass of disease. Leg diminished one-third in size. Condition hopeless. Cured by the Cuticura Remedies in two months.

Cured by Cuticura

For three years I was almost crippled with an awful sore leg from my knee down to my ankle; the skin was entirely gone, and the flesh was one mass of disease. Some physicians pronounced it incurable. It had diminished about one-third the size of the other, and I was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your CUTICURA REMEDIES, and the result was as follows: After three days I noticed a decided change for the better, and at the end of two months I was completely cured. My flesh was purified, and the bone (which had been exposed for over a year) got sound. The flesh began to grow, and to-day, and for nearly two years past, my leg is as well as ever it was, sound in every respect, and not a sign of the disease to be seen.
S. G. AHERN,
Dubois, Dodge Co., Ga.

Skin Disease 17 Years

I have been troubled with a skin and scalp disease for seventeen years. My head at times was one running sore, and my body was covered with them as large as a half dollar. I tried a great many remedies without effect until I used CUTICURA REMEDIES, and am thankful to state that after two months of their use I am entirely cured. I feel it my duty to you and the public to state above case.
L. R. McDOWELL, Jamesburg, N. J.

Another Marvellous Cure

The CUTICURA, CUTICURA RESOLVENT, and CUTICURA SOAP have brought about a marvellous cure in the case of a skin disease on my little son eight years old. I have tried almost all remedies and also the most eminent doctors, all alike failing, except the wonderful CUTICURA REMEDIES.

Sanford's Radical Cure for Catarrh.

CURE BEGINS FROM FIRST APPLICATION, AND IS RAPID, RADICAL, AND PERMANENT.

It is the mucous membrane, that wonderful semi-fluid envelope surrounding the delicate tissues of the air and food passages, that Catarrh makes its stronghold. Once established, it eats into the very vitals, and renders life but a long-drawn breath of misery and disease, dulling the sense of hearing, trammelling the power of speech, destroying the faculty of smell, tainting the breath, and killing the refined pleasures of taste. Insidiously, by creeping on from a simple cold in the head, it assaults the membranous lining and envelops the bones, eating through the delicate coats and causing inflammation, sloughing, and other dangerous symptoms. Nothing short of total eradication will secure health to the patient, and all alleviatives are simply procrastinated sufferings. SANFORD'S RADICAL CURE, by *Inhalation* and by *Internal* administration, rarely fails; even when the disease has made frightful inroads on delicate constitutions, hearing, smell, and taste have been recovered, and the disease thoroughly driven out.

Sanford's Radical Cure for Catarrh

Consists of one bottle of the RADICAL CURE, one box of CATARRHAL SOLVENT, and IMPROVED INHALER, all in one package; price, $1. Ask for SANFORD'S RADICAL CURE. Sold everywhere.

Lingered Between Life and Death.

Mrs. Geo. P. Smoote, a highly cultivated and estimable lady of Prescott, Ark., writes under date of April 20, 1889: "During the summer of 1887 my eyes became inflamed, and my stomach and liver almost hopelessly disordered. Nothing I ate agreed with me. I took chronic diarrhœa, and for some time my life was despaired of by my family. The leading physicians of the country were consulted, and the medicines administered by them never did any permanent good, and I lingered between life and death, the later being preferable to the agonies I was enduring. In May, 1888, I became disgusted with physicians and their medicines, I dropped them all, and depended solely on Swift's Specific (S. S. S.), a few bottles of which made me permanently well—well from then until now."

MADE HIS LIFE A BURDEN.

I have had scrofula until it made my life a burden. I was inexpressibly miserable, sick, weak, sleepless, and unhappy; desiring that the short time which seemed to have been allotted to me on this earth would hasten to an end. I tried doctors' treatment and medicine, and travel, but none of these did any good, for the scrofula gradually grew worse. One physician, who I traveled far to see, and to whom I paid $150, gave up the case as hopeless. I then gave up all other medicines, and took only Swift's Specific (S. S. S.) Four bottles of that medicine cured me, and for the past four years I have had as excellent health and I am as free from disease as any body living."
