who comes after us. Some who were interested deeply in the new building are not with us, they have been taken away. In conclusion he urged all who were present to put forth every effort for the speedy completion of the building, so that if he cannot be here to enjoy it, his children will have the benefit of it.

Samuel M. Myers was next called upon. He said the dream of his life was about being realized. Up to a short time ago he was not sure that the new church would be erected in his life time, but now the building is in sight. He was glad to see all the members interested. All that was wanted was a long pull, a strong pull and a pull together and the work could be assured.

He hoped to see every member's name in the list of contributors and he would say that if any member came to him and said they were going to stop, he would give them a contribution, so that they could have it entered in their name.

The choir sang another hymn and the meeting adjourned to the yard in the rear of the residence, where Rev. Dr. Vernon broke ground, by digging a bucket of earth, which was given to him and which, on that occasion, on account of his very liberal contribution towards the erection of the church.

The first of the members who removed after the church was Florella Samson. She is the mother of the late Alderman Samson, is over 90 years old and is the oldest member of the church. She has placed several orders of earth on a wheelbarrow other members were given a chance, each to remove a shovel full and nearly every woman and child of the congregation did so.

Work will not be begun on the new building until spring. In the meantime the planning mill work will be prepared.

AT THE SACRED HEART ACADEMY.

The Silver Jubilee of Sister Mary Stanislaus Celebrated.

An interesting celebration was observed at the Sacred Heart academy on Thanksgiving afternoon. It was the silver jubilee of Sister Mary Stanislaus, who is now the superior of the academy, a religious institution. It will be twenty-five years on December 8th since she made her profession as a sister of the Holy Cross, and as the academy was founded in 1864, she decided to celebrate the event yesterday.

She was kept in ignorance of what was going on, and it was a great surprise to her when she awoke on Thursday afternoon. Following was the programme of exercises:

First Overture (Lautner) two pianos, Misses L. Ryan, H. Hughes, L. Buckel and R. Thomas. Affection's Tribute—N. Shearer.

orange, banana, apple, ice cream and cake. The table was set for a full dinner. In occasion would be putting it mildly. And not only were they pleased, but also those who served them.

The dinner was given by the ladies of the St. John's church. The guests were: Charles Prier, John Reinhart, John Waters, Emil Doster, John Wilson, Joseph Dorwart, John Smith, David Bryan, Wm. Green, Harry Valentini, Albert Boland, Wm. Wiley, Samuel Cook, James Lindsey, Chas. Wiley, Joe Buckley, Wm. Cilch, Wm. Pinkerton, Moses Book, Frank Wood, Edward Harris and Fred. Luckenbach.

During the dinner Mr. H. W. Gibson, of Harrisburg, gave some piano selections. The Harmonium Club's Hop.

The Harmonium Club's hop was held in their hall, in Locher's building, Court Square, last evening. The attendance was quite large, and among those present were several persons from a distance, including Mrs. E. H. Eshleman, Mrs. M. C. Reynolds, of New Haven and Miss Guggenheimer, of Philadelphia. The music was furnished by Prof. Kendig's prior orchestra.

The entertainment was highly enjoyed by the large audience, and it is hoped there would be a larger number of persons being able to be present on account of their connection with other festivities.

THEIR NAME IS LAUD.

A MEMBER OF THE VISITING FOOT BALL TEAM PROVES A PROPHECY.

Franklin and Marshall Defeat Dickinson Boys in the Presence of About 3,000 Persons at McGrann's Park.

Victory has again crowned the efforts of F. & M.'s great foot ball team. Another scalp has been taken and the team that a few weeks ago succeeded in defeating the Dickinson boys, has again returned to their prowess, strategy and muscle.

Little did the Dickinson boys dream of the crushing defeat and deep revenge of the Franklin and Marshall boys. Each had a row of potatoes to pick up and carry (one at a time) to a bag ready to receive them. F. O. Bryant finished first in the first half of the game, "Boys, our name is mud." His prophecy proved true.

While stunted in their endeavors by the absence of a gymnasium, which all the colleges have with which they have joined in the past, the Franklin and Marshall boys have proved a terror to her sister colleges. F. & M. has had "sweet revenge" on Dickinson, and her glory is unbounded. The crowd in attendance at the game at McGrann's park yesterday afternoon numbered about 3,000 persons.

HORRORS FOR WITNESSES.

THE HANGMAN WHO KILLED A HARBORER DID IT IN DUNGLING MANNER.

His Apparatus Defective—The Cutters While Hanging Produces Noise That Is Heard Outside the Jail.

GRUPPE, Oct. 29.—W. H. Harvey, who in March last murdered his wife and two daughters, was hanged at 9 o'clock this morning.

The execution was one of the worst pieces of bungling that was ever witnessed. The weight which lifted the body was not heavy enough, and the gallows was not high enough to give sufficient rebound to break the condemned man's neck, and his struggles and contortions as he was slowly strangled to death were frightful. To add to the horror of the hanging the knot slipped, and a gurgling in the man
