isitor and every pass o attend to their want rou would like to see some " rowing." You can have kets put upon each side of the places for one or more plants, out for the centre of you You can have a pot of trad brucket in the corner, or un or on your mantel, where it w at a bit of sun, if yo

ow all winter without a bit of sun, if you a't forget to water it. It is the most tient plant I am acquainted with, and I ve tried it in many ways, writes S. E. ggs in ','Good Honsekeeping.'' If you are intending to keep plants this nter, the first thing to be done is to bride them a home. Where are you ing to keep them? Which window can a spare? Next to a conservatory, a ge bay window facing the south is the ry best place for plants, because they ve light from either side as well as nt. If you can have glass doors be-sen it and the room so much the better. en you will have a "little summer all ut in."

shut in." The door should be left open at night to et in the warm air. You will need only plain shudes at the windows to let down at night to keep out the cold, but roll them aigh in the daytime so as to get all the sun possible. The outside blinds should be dowed at night, and if you live in a cold limate, where the therometer drops from zero to 30 degrees below, slip some news-mapers in behind the curtain when cold lights threaten.

Plants like air, but not drafts. It comes a between the sashes, and should be kept ut by placing some narrow cotton bags illed with sand upon them. It is advis-ble to have a hardwood floor or oil-cloth out down, then a few drops of water won't nurt if spilled on it.

The Seat of Pain and Pleasure, he nervous system, often suffers a diminution f vigor, and causes mental annoyance, and itive disturbance, without disease in orlum itself. It acts as a mere reflector, es, of inaction in the stemach, a itly of incomplete assimilation of the the blood. This of course weakens it non with the rest of the tissues, and renrs it less able to bear without suffering an or mary strain that would make no impression strong nerves. To supply a deficit th, and remedy a supersensitiveness erves incident to a lack of vigor, Hoste stomach Bitters is far batter adapted the

Epoch.

Epoch. The transition from long, lingering and pain-ful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been at-tained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonic. If you are troubled with any disease of Klineys, Liver or Stomach, of long or short standing, you will surely find relief by use of Electric Bit-ters. Sold at δe and δi per bottle at H. B. Coch-ran's Drug Store, 187 and 139 North Queen street, Lancaster, Pa. (1
