Physicians recommend Dr. Bull's Cough Byrup, when all other medicines fail, as a cer-tain cure for bronchitis, sore throat, and coughs or colds of long standing. For sale by all drug-gists. 25 cents.

"For there was never yet a philosopher, that ould endure the toothsche patiently." Ferhaps not—but there is little wit in enduring it at all, when one bottle of Salvation Oil will cure it. Perfectly Flendish.

To be assaulted by the three imps, dyspepsia, constipation and liver complaint—a trio of satanic birth—is perfectly fiendish. This often happens. The hateful three, however, soon whisk away to nether inferno when Hoson whisk away to hether interno when Hos-ter's Stomach Bitters is employed to evict em. As a stomachic and alterative of disor-red conditions of the bowels and liver, it is aking within bounds to say that there is not peaking within bounds to say that there is not nexistence a medicine so widely known as his, and few indeed which have received such positive and authoritative sanction from the nedical fraternity. The fact that it promptly relieves, then extirpates the three maladies of most common occurrence, ought and does make t the most popular of family medicines. But, n addition to that, it has achieved the foremost reputation as a preventive of and remedy for thills and fever, rheumatism, nervous and kidney trouble.

Don't hawk, hawk, blow, split, and diagust everybody with your offensive breath, but use Dr. Sage's Catarrh Remedy and end it. 50 cts, by druggists. W.Th&w

Special Notices.

Mothers! Mothers!! Mothers!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the exeruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the recent little sufferer immediately—depend the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Bold everywhere, Scentz a bottle.

The Verdict Unanimous. W. D. Suit, Druggist, Bippus, Ind., testifies
"I can recommend Electric Bitters as the very
best remedy. Every bettle sold has given relief
in every case. One man took six bottles and
cured of Rheumatism of 10 years standing."
Abraham Hare, druggist, Beliville, Ohio, affirms: "The best selling medicine I have ever
handled in my 20 years experience, is Electric
Bitters." Thousands of others have added their
testimony, so that the verdict is unanimous
that Electric Bitters do cure all diseases of the
Liver, Kidneys or Blood. Only a half dollar a

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. B. Cochran's Drug Store, 137 & 139 N. Queen St., Lancaster, Pa.
