An Extraordinary Crime.

A remarkable story of a murder comes in Budapest. The murderer was a research the victim her charge—a baby o years old. Both went out together for airing, and being absent an unusually ag time, search was made and the girl and, her clothing being wet and soiled. I explained that while walking with the lid she felt that a petry theft she faid mmitted would soon be discovered, and her than be punished for such a little ing, she thought she had bester do someing that might keep her in prison all her a. She had been very happy in prison and the rest of her days there if she rew her master's child into the river. I bought the child some cakes and made a laugh by holding her over the water the bank of which she stood. Then deenly she dropped the baby, and the rrent caught her and carried her off. Store the child had floated many yards a saw her sink. The servant did not ow the least repentance, but carefully quired whether she was really to be cked up for life. The mother hoped that e girl had lost the child and that her clarations were untrue; but the riverde was searched with torches, and the ody of the little one found.

A Puzzle.

Why grown men and women with matured effective powers should neglect their small allments is really a puzzle. Hosts of otherwise ensible people thus bewilder conjecture. It is use of the things which, as the late lamented ord Dundreary exclaimed, "no fellah can find out," Diseases grow faster than weeds, and, noreover, beget one another. Incipient indication, a touch of billousness, slight irregularity in the habit of body—what complex and cerious bodily disturbance, not local, but genral, do these not beget, if disregarded? A constitution invigorated, a circu-stion enriched, a brain and stomach tranquil ted by this national medicine, becomes wel-igh invulnerable. It gives relief at once.

The proprietors of Ely's Cream Balm do not claim it to be a cure-all, but a sure remedy for catarrh, colds in the head and hay fever. It is not a liquid or snuff, but is easily applied into the nostrils. It gives relief at once.

MERCURIAL RHEUMATISM CHARLES STAMM.

Mr. J. C. Jones, city marshal of Fulios, Arkansas, writes: "About ten years ago I contracted a severe case of blood poison. The leading physicians of the city were called in, and they preacribed medicine after medicine, which I took without affording me any relief. I also tried marcurial and potash remedies, with the same unsuccessful result, but which brought on an attack of mercurial rheumatism that made my life one of untold agony. After suffering four months, I gave up all former remedies and commenced taking Swift's Especific (S. S. S.) After taking several bottles, I was extrely cured and able to resume work. I consider Swift's Specific (S. S. S.) the greatest medicine for blood potsoning to-day on the market."

EXTRACHDINARY VALUES—Isn't it a fact, that for the same amount of money you can buy better goods in one store than you can in another? Why? Because some sell their goods at smaller profits, giving you a better article for your money. We claim to sell goods closer than any other house in Lancaster. In our last advertisement we spoke about Underwaar. Men's White or Colored at 30c, 25c, 375cc, 50c and up. Ladies at 35c, 35c, 60c, 60c and up. Now walle you may see the same priced goods at any other store, we claim our goods at the prices are the best value ever offered. Take our Ladies' Vests, starting at 35c, next grade 35c, and so on, perhaps you will say the next grade at other stores is 375ccsech or 75c per pair, so it is, and our price 35c or 78c per pair, is a pair higher, but for the difference of 8c more we give you a pair of vests that retail at 81, as aving of 23c on every pair. But we can't speak of every number of Underwaar, in Ladies', Men's or Children's, as we have them in Merino, Medicated, Natural Wool, Camel's Hair, etc.

SHA WILS—Extra bargains in Single Shawis at 81, 81 25, 81 25, 82 and up. We would call special mention of two numbers in Double Shawis at 81, 81 25, 81 25, 82 and up. We would call special mention of two numbers in Double Shawis that are way below the regular price. One in a Green, Black and Blue Plaid at 83 50, which is at least 81 under price. Another number to one at 84 00 which, we are sure, you cannot match in quality for less than 85, in a great variety of styles. Bargains in Black Thibet Shawis in single and double. Shoulder Shawis from 100 up.

BLANKETS—White and Colored Blankets at 70c, 88c, 81, 81 50, 81 50, 81 75, 82, 82 80, 88, 80 60, 84,
