Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed immisent. HOOD'S SARBAPARITLA.

The Plain Truth Is that Hood's Sarsaparille has oured thousands of people who suffered severely with rheumatism. It neutralises the lactic acid in the blood, which causes these terrible pains and aches, and also vitalises and enriches the blood, thus preventing the recurrence of the disease. These facts warrant us in urging you, if you suffer with rheumatism, to give Hood's Sarsaparilla a trial.

I have great confidence in Hood's Straaparilla."—CHARLES HANNAR, Christle, Clarke Co., Wis.

Scrofula in Children.

"In the early part of 187 scrofula appeared on the head of my little grandchild, then only is months old. Shortly after broaking out it spread rapidly all over her body. The scabs on the sores would peal off on the slightest touch, and the odor that would arise would make the atmosphere of the room sickening and unbearable. The disease next attacked the eyes and we feared she would lose her sight. Eminent physicians of the country were consulted, but could do nothing to relieve the little innocent, and gave it as their opinion, that the case was hopeless and impossible to save the child's eyesight. It was then that we decided to try Swift's Specific (8, 8, 8.) That medicine at once made a speedy and complete cure. For more than a year past she has been as healthy as any child in the land."

In 1875 a sore appeared on my nose, and grew rapidly. As my father had cancer, and my husband died of it, I became alarmed and consulted my physician. His treatment did no good, and the sore grew larger and worse in every way, until I was persuaded to take S. S. S., and a few bottles cured me. This was after all the doctors and other medicines had failed. I have had no return of the cancer.

LIVER PILLS! Intemperance a Disease

When the celebrated Dr. Rush declared that trunkenness was a disease, he enunciated a

When the celebrated Dr. Rush declared that drunkenness was a disease, he enunciated a truth which the experience and observation of medical men is every day confirming. The many apparently insane excesses of those who indulge in the use of spirituous liquors may thus be accounted for. The true cause of conduct, which is taken for infatuation, is very frequently a diseased state of the Liver. No organ in the human system when deranged, produces a more frightful catalogue of diseases. And if, instead of applying remedies to the manifestations of the disease, as is too often the case physicians would prescribe with a view to the original cause, fewer deaths would result from diseases induced by a deranged state of the Liver. Three-fourths of the diseases caumerated under the head of Consumption have their scat in a diseased Liver. The genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bross, Pittsburg, Pa., are a sure cure.

Mr. Jonathan Houghman, of West Union, Park Co., filinois, writes to the proprietors, Fleming Brothers, of Pittsburg, Pa., that he had suffered from a severe and protracted attack of fever and ague, and was completely restored to healthiply the use of the genunie Dr. C. McLane's Liver Pills alone. These Pills unquestionably possess great properties, and can be taken with decided advantage for many diseaser requiring in vigorating remedies, but the Liver Pills stand pre-eminent as the means of restoring a disorganized liver to healthy action; hence the great celebrity they have attained.

Insist on having the genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bross, Pittsburg, Pa. All druggists keep them. Price 25 cents a box.
