Take the cloak from his face, and at first, Let the corpse do its worst!

How he lies in the rights of a man!

Death has done all death can;
And absorbed in the new life he leads

He recks not, he heeds

Nor his wrong, nor my vengance; both strike

On his senses alike.

And are lost in the solemn and strange Surprise of the change.

Ha, what avails death to erase
His offense, my disgrace?
I would we were boys, as of old
In the field, by the fold:
His outrage, God's patience, man's scorn
Were so easily borne!

I stand here now, he lies in his place: Cover the face!

To Deliver Milk By Pipe Line.

Unless some unforcescen difficulty presents itself, milk will be flowing through big pipes from Middletwon, N. Y., to New York before many months. A company has been formed in Middletown to raise \$600,000 to build the conduits, and the men interested are sanguine of success.

The originator of this scheme says: "This scheme presents many difficulties, such as the danger of the milk becoming sour or being churned; but we can deliver it in a half frozen condition if we want to, and prevent the souring or churning. We shall probably be able to send milk to New York from all the towns within 100 miles of the metropolis for I cent a gallon. The concern can be as easily controlled as a telegraph system. We shall be able to of the metropolis for I cent a gallon. The concern can be as easily controlled as a telegraph system. We shall be able to send milk to the big city in one hour. As the plans are not yet all finished I can give no names or say more."

As a horse and cattle lotion Salvation Oil has proven itself an infallible remedy. It has received the hearty indorsement of many old and well-known horsemen. Price 25 cents a bottle. Mo'hers, do not let your darlings suffer with the whooping cough while you have a remedy so near at hand. Use Dr. Buil's Cough Syrup and the little sufferer will soon find relief. Price 25 cents.

Grave Cause for Anxiety

Exists when the kidneys lose their activity.

Prompt measures should be taken to renew it, otherwise Bright's disease, diabetes, or some other organic trouble, is to be apprehended as a consequence. Hostetter's Stomach Bitters is a most destrable diuretic, as its stimulative activities. tion upon these organs never crosses the border line of safety and merges into irritation, as do many atimulants used for the same purpose by the careless and uninstructed. The stimuli of commerce, flery and unmedicated, are not suit-able corrective agents in a case like this. They excite without producing a permanently deexcite without producing a permanently de sirable result. The "just medium" between them and an ineffectual diurctic is the Bitters which is also a specific for malarial complaints, dyspepsia, constipation and rheumatism.

Why continue the use of irritating pow-ders, snuffs or liquids. Ely's Cream Balm, pleasant of application and a sure cure for catarrh and cold in head, can be had for 50c. It is easily applied into the nostrila, is safe and pleasant, and is curing the most obstinate cases. It gives relief at once

The proprietors of Ely's Cream Balm do not claim it to be a cure-all, but a sure remedy for cutarrh, colds in the head and hay fever. It is not a liquid or snuff, but is easily applied into the nostrils. It gives relief at once.

Special Motices.

POODS BARBAPARILLA Rheumatism

Is believed to be caused by excess of inetic acid in the blood, owing to the failure of the kidneys and liver to properly remove it. The acid attacks the farms tissues, particularly in the joints, and causes the local manifestations of the disease, pains and aches in the back and shoulders and in the joints at the knees, ankles, hips and wrists. Thousands of people have found in Hoof's farmsparille a positive and permanent cure for rhoumatism. This medicine, by its parifying and vitalizing action, neutralizes the acidity of the blood, and also builds up and strengthens the whole body.

Wonderful Properties

"I have taken Hood's Barasparilla and found it excellent for rhoumatism and dyspepais. I suffered for many long years, but my complete recovery is due to Hood's Barasparilla. I recommend it to every one because of its wonderful properties as a blood medicins." JOHN KULLLEAR, 65 Chatham Street, Clevrland, Ohlo.

"I just want people to know that we think tood's Barmsparille lies best remedy for inflammatory rhoumation in the world. My husband at this terrible affection for two years and lood's Barmsparille helped him more than anything size. I am always glad to tell what Rood's armsparille has done." Mrs. F. ATKINSON,
