Bad Weather Makes Poor Business. The terribly bad weather of the past two weeks has greatly affected the business in this city, which is usually very brisk about Christmas. Merchants in every branch of iness are complaining and they say that with favorable weather their business would be large. Yesterday afternoon the sun shone for a time and it was thought that it was going to clear, but the heave were soon covered with clouds and a heavy fog set in which did not rise until noon to-day. The sun then made its appearance and shone brightly for a time. The air is as warm as spring, but what the merchants want is clear, cold weather. The Saturday before Christmas is always one of the busiest days of the year, and if everything is favorable the town will be crowded to-morrow. The roads in the country are terribly had. The roads in the country are terribly bad and persons who do not live along railroads have been timid about driving to town. They will turn out to-morrow and in the early part of next week if they have anything like a chance, however.

Drunken Men Fighting. A constable had quite a lively time with lrunken men on Orange street, near Lime, last evening. Constable Sam Shaub had arrested William Murray, John Smith, James Moore and John Armstrong in the James Moore and John Armstrong in the satern part of town for being drank and disorderly, and was on his way to Alderman Deen's office when he met Anthony sars. The last named had been with the others early in the day and he was very want. He and Murray began fighting, and Murray got his thumb in his mouth which be bit viciously. Shaub caught hold of Sears who reviled and cursed and swore so that he whole neighborhood was aroused. Finally he agreed to go along with the officer, who had plenty to do with the other. As soon as he was loosened he ran down Lime great and fell on his head in front of W. U. Hensel's residence. He escaped for the lime, but as noted elsewhere, Constable fake Shaub captured him. When he serves is 20 day sentence Alderman Deen will give him a hearing on a like charge. Muray and his companion each got five days.

Mixed Darkey Cases. At Alderman Deen's Ed Clark, At Alderman Deen's Ed Clark, a colored hotel porter, yesterday sued Charles Adams, also black, for being drunk and disorderly. To-day Adams sued Clark for the same offense. Clark to-day denied that he sued Adams for the offense but Alderman Deen and the content of the content has it in black and white, especially in black. Adams says that Clark owed him money for driving a baggage wagon and when he went to collect it yesterday Clark acted like a wild man. The alderman wil endeavor to find out who were was the dranken men if they were not.

An Old Offender, Anthony Sears, arrested last night for cliorderly conduct, was sent to jail for 20 days this afternoon by Alderman Halbach. Sears is too lazy to work and manages to live on what he can beg. Every cent of money he gets goes for rum, and for the past few years he has spent more time in jail than out of it. He is wanted on another charge before Alderman Deen, and that case will be disposed of when the present term expires.
