inst of April 26, 1860; "During the summer inst my eyes became inflamed, and my st mach and liver aimost hopelessly disordered Nothing I ate agreed with me. I took chronidiarchose, and for some time my life was despaired of by my family. The leading physicians of the country were consulted, and the medictness administered by them never did any permanent good, and I lingered between life and death, the inter being preferable to the agonies I was enduring. In May, 1888, I became disgusted with physicians and their medictnes. I dropped them all, and decended solely on Swift's Specific (8, 8, 8.), a few bottles of which made me permanently well—well from then until now."

MADE HIS LIFE A BURDEN.

I have had scrothle until it made my life a burden. I was inexpressibly miserable, sick, weak, sleeplesa, and unhappy; desiring that the short lime which seemed to have been allotted to me on this earth would hasten to an end. I tried doctors' treatment and medicine, and travel, but none of these did any good, for the scrothia gradualty grew worse. One physician, who I traveled far to see, and to whom I paid \$150, gave up the case as hopeless. I then gave up all other medicines, and took only Swift's Specific (8. S. S.) Four bottles of that medicine curred me, and for the past four years I have had as excellent health and I am as free from disease as anybody living "

A DAPTED FOR HOLIDAY PRESENTS!

# SPECIAL FOOTWEAR!

Many things there are adapted for Holiday presentation, so many, indeed, it would be folly to attempt to enumerate them. Articles for which a long purse is required to pay the bill, as well as those that sell for but a song. Be-tween these one may find, too, useful and ornamental things to make gladsome recipients, measuring in value any number of dollars or cents had for exnumber of dollars or cents had for expenditure. Shoe stores are in the race for the trade that comes with the Holidays. They're handsome shoes, handsome slippers, and Rubber specialties, any of which are appropriate for presentation. If your thoughts are that way there's wisdom in buying where the best is to be had, where the assortment is greatest, where the least money is required to do the purchasing. Who doubts we lead not in these respects? It's doubting folks we care to see and to convince. We've Felt Slippers, Velvet Slippers, Corduroy Slippers, Plush Slippers, Embroidered Slippers, Moroeco Slippers, Ooze Calf Slippers, Alligator Slippers, for Ladies', Gentlemen's or Children's wear, ranging in price from 50c to \$2.50.
